D.O. No. 19/1/2011-CIC-MoRe

Sub: Submission of Annual Returns for the year 2011-12 on implementation of RTI Act, 2005.

Dear Sir,

I would like to invite your kind attention to my DO letter of even number dated 09.04.2012 on the subject mentioned above. I had stated that public authorities under the control of Ministries/Depts/UTs of Govt of India are under statutory obligation to submit annual returns (on quarterly basis) on the implementation of RTI Act 2005 in their organization. However, in view of poor response from public authorities under your control, I had requested for your kind intervention to achieve the objective of online submission of quarterly returns. It is, however submitted that still a good number of Public Authorities under your control continue to figure in the defaulters list. Thus the overall position regarding percentage of public authorities submitting their quarterly returns is far from satisfactory; and data received so far is just not sufficient to enable us prepare the report and submit the same to the Parliament as mandated in the law. A list of such defaulting Public Authorities under your jurisdiction is enclosed. A second list comprising of such Public Authorities who have defaulted in submission of return continuously from 2009-10 to 2011-12 is also enclosed. I would request you to check whether some of Public Authorities under your jurisdiction also figure in the second list; and if so, I would request you to take remedial measures to avoid this embarrassing situation.

In view of above I once again solicit your personal intervention in the matter and request you to impress upon the Public Authorities under your control to upload their Annual Returns (for all the four quarters) for the year 2011-12. The defaulter Public Authorities must upload their quarterly returns latest by 20th July, 2012. It will not be possible for the Commission to wait beyond this date as it will seriously jeopardize submission of Annual Report of the Commission as per schedule fixed by the Parliament. The Commission in this eventuality will have no option but to go ahead and to submit the report, highlighting the name of defaulter Public Authorities in the annual report to be presented to the Parliament in the ensuing session.

With regards

Yours Sincerely,

(Signature)
