## **Brief Industrial Profile of Mayurbhanj District**

**1. General Characteristics of the District:** Mayurbhanj occupies a unique position being endowed with lush green vegetation, different fauna and rich cultural heritage. The district has a rich mineral base and is home to the Similipal Biosphere. This was a princely state until its merger with the state of Odisha on 1st January, 1949. Since the date of its merger Mayurbhanj has been organized and is administered as one of the districts of Odisha.

**1.1. Location & Geographical Area.:** Mayurbhanj is a land-locked district with a total geographical area of 10,418 Sq.Km. and is situated in the Northern boundary of the state with district Head quarters at Baripada. The northern portion of this western Division is very fertile for extensive cultivation comprising Bamanghaty Sub-division and Southern portion is Panchpir Sub-division. The district is 559.31 mt. above the sea level.
