## FOREWORD

District Industrial Potentiality Survey Report of District Faizabad is a key report which not only contains current industrial scenario of the district but also other useful information about the district. This report provides valuable inputs which may be useful for existing & prospective entrepreneurs of the District.

It is the only source which provides the latest data on infrastructure, banking and industry of the district. It also provides information on potentials areas in manufacturing and service sector of the district.

I sincerely hope that District Industrial Potentiality Survey Report of District Faizabad will facilitate easier dissemination of information about the district to policy makers and also to the professionals working in the MSME sector.

I appreciate the efforts made by Shri J. K. Sinha, Asstt. Director (Mech.) in preparing the District Industrial Potentiality Survey Report of Faizabad District.
