FOREWORD

District Industrial Potentiality Survey Report of District Lakhimpur Kheeri is a key report which not only contains current industrial scenario of the district but also other useful information about the district. This report provides valuable inputs which may be useful for existing & prospective entrepreneurs of the District.

It is the only source which provides the latest data on infrastructure, banking and industry of the district. It also provides information on potentials areas in manufacturing and service sector of the district.

I sincerely hope that District Industrial Potentiality Survey Report of District Lakhimpur Kheeri will facilitate easier dissemination of information about the district to policy makers and also to the professionals working in the MSME sector.

I appreciate the efforts made by Shri Neeraj Kumar, Asstt. Director (EI) in preparing the District Industrial Potentiality Survey Report of Lakhimpur Kheeri District.

3.5 Major Exportable Item: Crystal white Sugar

3.6 Growth Trend:

1. There is stagnation in number of MSEs coming up every year. Approx. 500 MSEs are coming every year.
2. There is significant growth in terms of investment in plant & Machinery.
3. Agro based industries & repairing & servicing based industries are getting momentum in the district.

3.7 Vendorisation / Ancillarisation of the Industry

As there are 15 large scale Industries working in the District, so there are wide scope for vendorisation of MSME Sector, which can produce various spare parts, repairing & maintenance of plants to cop up the requirement of these large scale Industries.

3.8. Medium Scale Enterprises

3.8.1 List of the units in Lakhimpur Kheri & Near By Area: Nil
