FOREWORD

District Industrial Potentiality Survey Report of District Sitapur is a key report which not only contains current industrial scenario of the district but also other useful information about the district. This report provides valuable inputs which may be useful for existing & prospective entrepreneurs of the District.

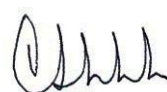

It is the only source which provides the latest data on infrastructure, banking and industry of the district. It also provides information on potentials areas in manufacturing and service sector of the district.

District Administration, District Industries and Enterprises Promotion Centre, Statistical Department, District Lead Bank, Agriculture & Horticulture offices, Live-stock Office and other departments of Sitapur and Lucknow have provided valuable information via journal, website, telephonic conversations and other communication channels.

I sincerely hope that District Industrial Potentiality Survey Report of District Sitapur will facilitate easier dissemination of information about the district to policy makers and also to the professionals working in the MSME sector.

I appreciate the efforts made by Shri Vijay Kumar Bhatt, Asstt. Director (Stat.) in preparing the District Industrial Potentiality Survey Report of Sitapur District.
