FOREWORD

MSME-DI, Chennai, Tamil Nadu is one of the field outfit of Office of Development Commissioner, Ministry of Micro, Small and Medium Enterprises (DC-MSME) established in the year 1954 for implementing the various policies and programmes of Ministry of MSME towards entrepreneurship development in Micro, Small and Medium Enterprises across the State in liaison with State Govt. and other stake holders. This Institute covers 32 Districts in the State of Tamil Nadu and UT of Puducherry. with the following mandate

- ***For Aspiring entrepreneurs* : identify, motivate, train, handhold and provide mentoring services.**
- ***For Existing entrepreneurs.* To provide techno economic consultancy and facilitation service**
- ***Skill Development:* To impart need based skill training through Skill Development Programmes (SDP)**

One of the wide spectrum of value added services of the Institute is to prepare a brief district industrial profiles of each district for the benefit of aspiring and existing entrepreneurs in the State of Tamil Nadu and other States

This report contains brief details of the District, geographical information, statistical data relating to MSME's of the district, registration under Udyog Aadhaar Memorandum (UAM), potential areas for investment in service sector and manufacturing sector, identified industrial clusters, key contacts for whom to contact for what etc. . The report has been prepared based on our earlier first edition report duly updated from data/inputs collected by District nodal officers and from reports/publications of M/o. MSME, Govt. of India and Govt. of Tamil Nadu, MSME Deptt.

Economic Investigation Division of the Institute has taken special efforts in collection and compilation of the relevant data for preparing the document not only for the **Madurai District** but for all the Districts of Tamil Nadu. My sincere thanks to all the officers of the Institute for their cooperation in bringing out this brief industrial profile.

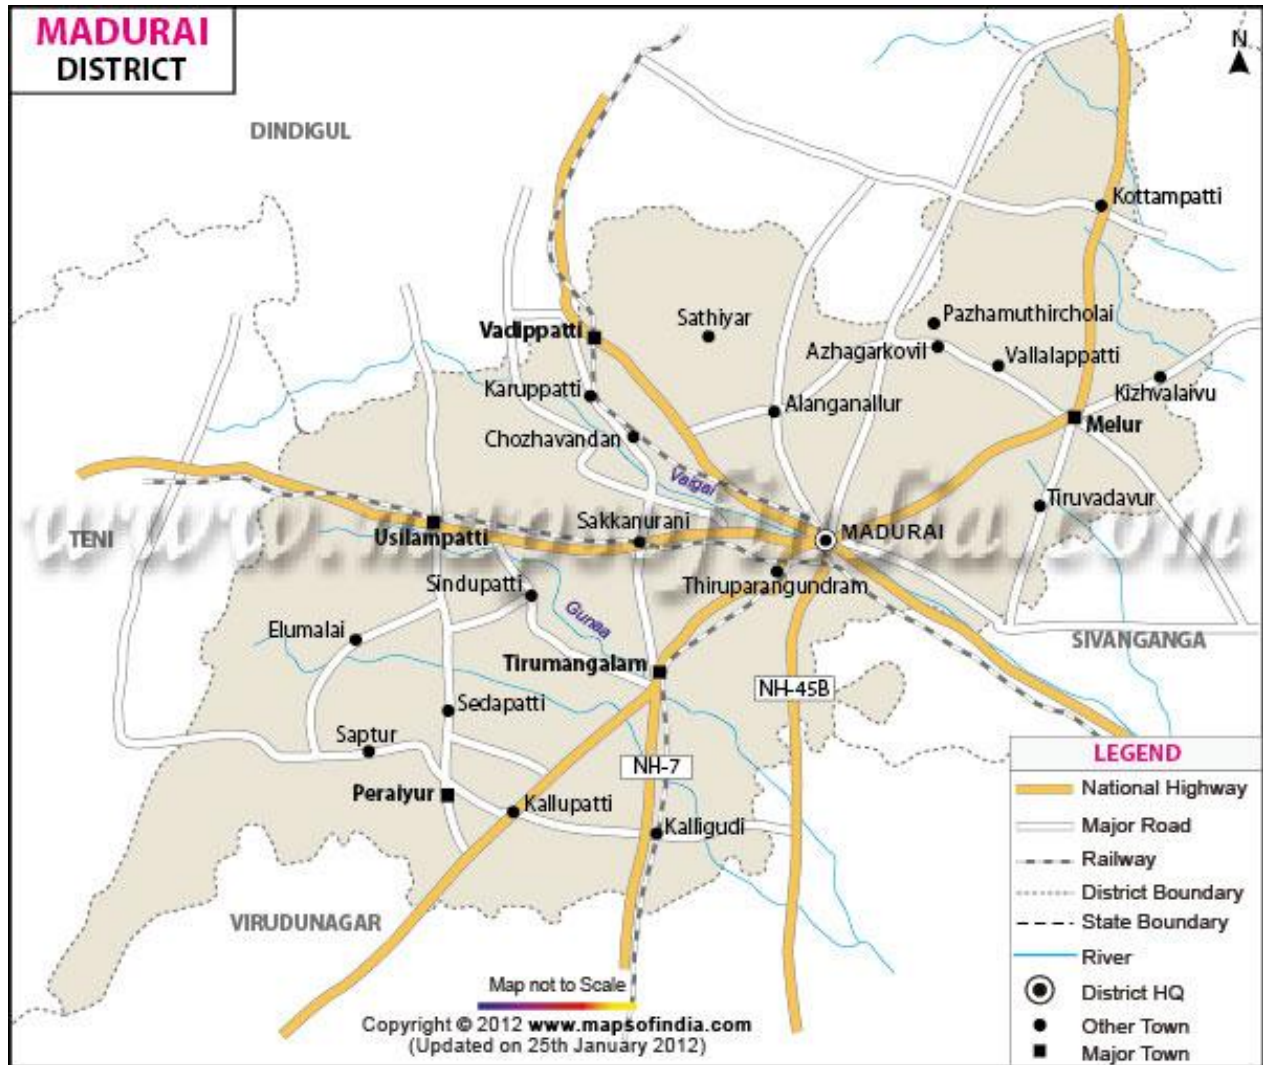

I am sure that that this document will be of much useful for the benefit of aspiring and existing entrepreneurs who are desirous of setting up of MSMEs in the State of Tamil Nadu in general and in the **District of Madurai** in particular.

MAP – MADURAI DISTRICT

BRIEF DISTRICT INDUSTRIAL PROFILE – MADURAI 2015-16

1. GENERAL PROFILE:

Madurai is the second largest city by area in Tamilnadu after Chennai. Madurai as it was then called as a huge District that comprising the present Districts of Dindigul, Theni, and Madurai. In order to make District Administration more effective and responsive, the Government have trifurcated this composite Madurai District into three Districts Dindigul was carved out during the year 1984. Theni District was separated during the year 1997

Madurai, also called by different names like "City of Jasmine" (Malligai maanagar), "Temple City" (Koil maanagar), "City that never sleeps" (Thoonga nagaram) and "City of four junctions" (Naanmada koodal) is surrounded by several mountains. The Madurai city has 3 hills as its city boundary. Yanaimalai, Nagamalai, Pasumalai named after Elephant, Snake and Cow respectively. It is famous for Jasmine Flowers. Jasmine flowers are transported to other cities of India from Madurai. The city is closely associated with Tamil language as all the 3 primary congregation of Tamil scholars, the Tamil Sangam (3rd century BC to 3rd century CE), were held at Madurai.

The District is situated in the South of Tamil Nadu state. It is bounded on the North by the districts of Dindigul, Thiruchirappalli and on the East by Sivagangai and on the West by Theni and South by Virudhunagar .

The city has a number of historical monuments, with the Meenakshi Amman Temple and Tirumalai Nayak Palace being the most prominent. Madurai is an important industrial and educational hub in South Tamil Nadu. The city is home to various automobile, rubber, chemical and granite manufacturing industries. It has developed as a second-tier city for information technology (IT), and some software companies have opened offices in Madurai. The Tamil Nadu government has planned a satellite town for Madurai near Thoppur.

The city of Madurai lies on the flat and fertile plain of the river Vaigai, which runs in the northwest-southeast direction through the city, dividing it into two almost equal halves. The Sirumalai and Nagamalai hills lie to the north and west of Madurai. The land in and around Madurai is utilised largely for agricultural activity, which is fostered by the Periyar Dam. Madurai lies southeast of the western ghats, and the surrounding region occupies the plains of South India and contains several mountain spurs. The soil type in central Madurai is predominantly clay loam, while red loam and black cotton types are widely prevalent in the outer fringes of the city. Paddy is the major crop, followed by pulses, millet, oil seed, cotton and sugarcane.

3. INDUSTRIAL SCENERIO

Having good connectivity in all respects, there is ample scope for all kinds of industries in Madurai Distt viz. Automobile, Chemical, Agro based, Textile, Logistics, Information Technology, Energy etc.

Madurai is one of the few rubber growing areas in South India, and there are rubber-based industries in Madurai. Gloves, sporting goods, mats, other utility products and automobile rubber components are the most produced items by these industries. Automobile manufacturers are the major consumers of rubber components produced in the city. There are numerous textile, granite and chemical industries operating in Madurai. Madurai is promoted as a second-tier city for IT and some software companies have opened their offices in Madurai. Software Technology Parks of India, an agency of the Government of India, has authorised several such companies to receive benefits under its national information technology development program. The state government proposed two IT-based Special Economic Zones (SEZ) in Madurai, and these have been fully occupied by various IT companies.

The TVS group's growth which looks really massive started from their establishment in Madurai dates back to the year 1911. They have their units of TVS Tyres (Srichakra tyres), ZF Electronics TVS, TVS InterConnect Systems (TVS ICS), Firestone TVS, Sundaram Brake Linings, Sundaram Fasteners Ltd, Sundaram sewing needles, Sundaram textiles, TVS Rubber. And none could forget the Madura Coats which was involved in Coat and fabric production and their world known brands Louis Philippe, Van Heusen, Peter England, Allen Solly, Byford and San frisco. Now, they do produce only sewing threads here. TAFE Tractors have their plant here near Vadipatti. Fenner Ltd that has been acquired by JK Tyres has 3 of their plants in Madurai and surrounding areas for manufacturing Industrial belts. PRP Granites and exports is a real big industry in Madurai. One could find numerous small and medium scale industries in SIPCOT and SIDCO of Kappalur, K.Pudur, Urangaanpatti and Nilakottai region
