Brief Industrial Profile of Thane District

1. General Characteristics of the District

Thane is the third most industrialized district in the State. The Thane-Belapur-Kalyan industrial belt is the Centre of highly sophisticated modern industries. The industrial growth in the district, however, is concentrated in this industrial belt. The district can be divided into three district parts. The first is the area under direct influence of Mumbai metropolis. This area is more or less suburban to the metropolis and includes Thane, Kalyan and Ulhasnagar talukas where a number of organized modern industries are concentrated. The second zone comprises the industrially developing areas of Bhiwandi tehsils of Thane District. The third part includes the rest of the area of the district having conventional village industries, age-old cottage industries and primary processing agro-industries.

1.1. Location and Geographical Area.

Thane, the second northern-most districts of Konkan, lies adjoining the Arabian Sea in the north-west Part of Maharashtra State. It extends between 18°42' and 20°20' north latitude and 72°45' and 73°48' east longitude. Its northern limits adjoin the Palghar District carved out of Thane in 2014 while the district of Nasik and Ahmednagar to its East, Pune to the South-East, Raigad to the south and Mumbai Metropolitan to the South - West.

The total geographical area of the district is 4214 Sq. Kms.

1.2 TOPOGRAPHY

Topographically, district can be divided into 2 parts:-

- (1) In the north and Eastern Part of the district, Sahyadri ranges are spread and its north side the thick forest area is situated.
- (2) The Central Region of the district is mostly flat area and Rice farming is done in this area. It's heavily urbanized area

1.3 Availability of Minerals

There is no major mineral or mining in the district. However, the mining activities in the district are confined to quarrying of stones and sand which is carried on especially at places which are near urban areas in Kalyan, Bhiwandi and Thane Tehsils. The clay is used for making bricks, tiles and cheap red glazed wares.

1.4 FOREST

The total area under forest in the Thane and Palghar district is 3842 Sq. Kms which was one of the highest in the State. Out of this total forest area, most of the forest area is spread in Shahapur and Murbad tehsils of Thane District and Palghar District excluding Vasai Tehsil.

1.5. ADMINISTRATIVE SET UP

According to Administrative convenient, the State is divided in six regional divisions. The Thane district is included in Konkan Region Division. While, Thane district consists of 7 tehsils namely, Thane, Bhivandi, Kalyan, Ulhasnagar, Shahapur, Ambernath and Murbad.

At the district level, Collector is the Administrative Chief and the Tehsil level, Tehsildar looks after the administrative work. For rural development, Chief Executive Officer of Zilla Parishad at district level and Block Development Officer at Block level are in charge of the administration. Municipal Councils are responsible for urban development work.

11.	Problems & constraints	<ol style="list-style-type: none"> 1. To achieving most acceptable quality of Paint, R & D is required. 2. To improve Productivity, Training Centre is important. 3. Paint Industry is raw material intensive industry & hence common laboratory for testing all raw materials is required. 4. To buy critical raw materials which are many times in short supply. 5. Today the biggest crisis of the SME Sector are customer confidence in the SME Brand. As large MNC Companies are using their money power in media to establish their Brand, the SME is struggling to sustain this media onslaught & remain market share. For which common Branding is only option for SME.

Present status of the cluster:

This cluster is approved by the Office of the Development Commissioner, MSME, New Delhi. Soft Intervention Programme is also completed. Land for Common Facility Centre (CFC) is also

identified at MIDC, Mahape, Navi Mumbai. Application for which also made at office on Regional Officer, MIDC, Mahape, Navi Mumbai. The proposal for issue of allotment of plot concessional rate is with office of MIDC, Andheri, Mumbai - 400 093. Detail project report is yet to be made for want of physical possession of plot for proposed C.F.C.

5. General issues raised by industry association during the course of meeting.

Availability of

1. Credit at affordable interest rate
2. Affordable Infrastructure
3. Marketing
