FOREWORD

MSME-DI, Thrissur, as part of its activities has prepared the District Industrial Profile of Malappuram District during 2015-16. The objective to prepare the Industrial Profile of Malappuram is to make the information readily available in respect of general characteristics of the district, administrative set up, industrial scenario, potential for new MSMEs, details of existing clusters and general issues raised by industry associations etc. to the existing as well as prospective entrepreneurs.

It is expected that this Industrial Profile will be useful for Governmental & Non-Governmental organizations, Promotional & Developmental Agencies engaged in promotion & development of MSME sector in Malappuram District and also for academicians / research scholars.

I take this opportunity to express my gratitude to District Industries Centre, Malappuram, officials of State Planning Board, Economic and Statistics Department, Kerala, Department of Mines and Geology and heads of other departments for extending their co-operation in preparing this Industrial Profile.

I also place on records my appreciation to Smt. Kathreenamma Sebastian, Asst Director Gr.I (E.I.) and Smt. Lachithamol U.C., Asst Director (E.I.) of this institute for their hard work in bringing out the report in this form.

22.06.2016
Thrissur

(P.V.Velayudhan)
Director

Brief Industrial Profile of Malappuram District

1. General Characteristics of the District

Malappuram literally means 'terraced place atop the hills'. It is a northern district in Kerala endowed with the bountiful gifts of Nature. Malappuram District took its birth on 16.06.1969. Geographically the district lies between the Nilgiris to its east and the Arabian Sea to its west. It borders Kozhikode and Wayanad districts in the north and Palakkad and Thrissur districts in the south.

1.1 Location & Geographical Area

Malappuram is a hilly terraced tract. The innumerable streams that meander these hills reach the coconut fringed and picturesque sea coast. The location of the district is 75' to 77' east longitude and 10' to 12' north latitude, in the geographical map. The district has more or less the same climate conditions prevalent in other parts of the state, viz, dry season from December to February, hot season from March to May and the usual monsoon. The south west monsoon is usually very heavy and nearly 75% of the annual rainfall is received during this season. The climate is generally hot and humid; the range of temperature varying between 30°C and 20°C. The average annual rainfall is 290 mm.

1.2 Topography

The topography of Malappuram consists of three natural divisions; lowland, midland and highland. The low land stretches along the sea coast, the midland in the centre and the highland region towards the east and north eastern parts, rich with evergreen forests, ravines, hills and dales, rivers and brooks. The topography of the district is highly undulating; starting from the hill tops covered with thick forests on the east along the Nilgiris, it gradually slopes down to the valleys and the small hills, before finally ending on the sandy flat of luxuriant coconut groves and palm fringed coasts in the west.

1.3 Availability of Minerals

Laterite stone is found abundantly in the midland areas. It is exploited economically for construction works and hundreds of quarries cutting laterite stone known as Vettukallu are in operation, giving employment to thousands. Another major economic important mineral is granite building stone. Sizable deposits of this mineral are found in different

parts of the district. The district is also having deposit of Ordinary Earth and Brick clay. The following table shows the details of mineral deposits in the district.

Table 1: Production of Minerals 2015-16

Sl No	Name of Mineral	Production in Tons
1	Laterite Stone	1629897
2	Granite Building Stone	1699320
3	Ordinary Earth	138764
4	Brick Clay	10347

Source: Department of Mines and Geology

1.4 Forest

The total forest area in the district is 103417 hectares, which is around 29% of the total geographical area of the district

1.5 Administrative set up

There are two systems of administrative set up in the district – Revenue and local self-government. Under the revenue system the district is divided into Revenue Divisions, Taluks and Villages. Under the local administration set up the district is divided into statutory towns and panchayats. For the implementation of development activities Panchayats are grouped into community development blocks. Therefore all these units viz. Taluks, Villages, Statutory towns, Community development blocks and Panchayats have their own relevance and importance. The district has its headquarters at Malappuram & for administrative and revenue purposes, the district is divided into six taluks, namely, Ernad, Perinthalmanna, Triur, Ponnani, Tirurangadi and Nilambur There are 135 revenue villages and 15 Development Blocks viz Malappuram, Perumpadappu, Tirur, Tirurangadi, Vengara, Tanur, Kuttippuram, Mankada, Perintamma, Ponnani, Areecode, Kalikavu, Kondotty, Wandoor & Nilambur. There are 135 Grama Panchayats in the district. The 7 Municipalities in the district are Malappuram, Perinthalmanna, Manjeri, Ponnani, Tirur, Kottakkal & Nilambur. There are 16 Assembly viz Malappuram, Manjeri, Kondotty, Ernad, Mankada, Perinthalmanna, Thirurangadi, Vengara, Vallikunnu, Tirur, Tanur, Kottakkal, Nilambur, Wandoor, Ponnani, Thavanur and 3 Parliamentary constituencies in the district viz Malappuram, Ponnani(Part), Waynard(Part)

2 District at a Glance

The following table comprises the information about geographical, administrative, demographical, etc of the district. It will also provide brief idea education, land use pattern and infrastructural facilities of the district.

Table 2: District at a Glance

Sl No	Particular	Year	Unit	Statistics

3.4 Large Scale Industries/Public Sector Undertakings

List of large scale units and PSUs in Malappuram and nearby area

1. Keltron Electro Ceramics Ltd, Kuttipuram
2. Keltron Tool Room, Kuttipuram
3. KSRTC Body workshop, Eddappal
4. Malappuram Cooperative Spinning Mill, Paranakkad
5. Edarikkode, Co-operative Spinning Mill Edarikkode
6. MALCOTEX, Kuttipuram

3.5 Major Exportable Item

Food products and treated rubber wood furniture are the major exportable items in the District.

3.6 Growth Trend: There is a very slow increasing trend

3.7 Vendorisation / Ancillarisation of the Industry:

1. In the Sector of Ayurvedic Medicine, there is good scope for setting up of ancillary units. The existence of world famous Kottakkal Aryavydasala and other similar units have constituted a hub of Ayurvedic Medicine in the District.
2. There are three Spinning Mills in operation in this district, namely Malappuram

Spinning Mill, Kuttippuram Spinning Mill (MALCOTEX) and Edarikkode Spinning Mill. There is a call for setting up of ancillary units using yarn produced from the spinning Mills.

3.8 Medium Scale Enterprises: Its reflected in 3.4

3.8.1 List of the units in and nearby Malappuram area: Its reflected in 3.4

3.8.2 Major Exportable item : Its reflected in 3.5

3.9 Service Enterprises

3.9.1 Potential Areas for Service Industry

The following table shows the potential areas for the service sector in the District and explains the potentials for each activity.

Table 7 Potential Areas for the Service Sector

Sl No	Activity	Potentials
1	Light Engineering	Presence of CFC under MSE – CDP and training centre by KELTRON
2	Wood based Industries	Presence of CFC under MSE-CDP existence of considering number of Wood Processing Centre and treated rubber wood.
3	Automobile Work Shop	Presence of large No. of Automobiles
4	ITI Enabled Service	Existence of built up area in NEO Space in 10 Acres at KINFRA park, Kakkancheri

Source: District Industries Centre, Malappuram

3.10 Potential for New MSMEs

Sectors like general engineering, furniture manufacturing, food processing, paper products making, garment industries, cement based industries etc shows a positive trend with growth. The reasons for this trend are elucidated as under.

1. General Engineering

- Under MSE- Cluster Development Programme of Government of India a Common Facility Centre for light engineering sector was setup in this district and a strong industry association exists under MECON.
- KELTORN has setup a Tool Room-cum-Training Centre as a state PSU at Kuttippuram which caters training needs of workers and entrepreneurs in this sector.

- A tool room service facility under CFSC Payyanand, Manjeri is also in existence which provides job conversions service to small enterprises in the sector.

2. Wood and Furniture

Malappuram Wood Cluster under MSE-CDP was also sanctioned with a Common Facility Centre, for Wood processing by the Central Government at Perinthalmanna under the aegis of Valluvanad Wood Consortium. At Edavanna, where the largest concentration of wood based industries exist with a strong association as well as consortium company under the aegis of ETFC is supporting the enterprises. Apart from the CFC's a number of wood processing centres have come up in the district recently with facilities of kiln seasoning and treatment impregnation of Rubber Wood which provide durability and dimensional stability of the softwood just as a hard wood.

ETFC (Edavanna Timber & Furniture Consortium) is acting as a service provider and co-ordinator to the wood based industries sector in Nilambur, Ernad, Kondotty Taluks.

As 29% of the Land area of the district is covered with forest, there is good resources support for the sector.

These are known reasons for the growth in the furniture sector.

3. Food Processing :

This is both resource based as well as demand based industrial sector as far as the district is concerned. The District Industries Centre with support of Government Schemes has imparted skill development training to entrepreneurs with the in house lab facility at Krishi Vijnana Kendra Tavanur, Food Technology Lab MES College Mampad etc. The district is the main source of agro products such as Coconut, Banana, Jack fruit and other fruits, vegetables etc.

4. Existing Clusters of Micro and Small Enterprises

There are four clusters in the District. Among the four, only two are working now and two others have to yet to start activities.

4.1 Details of Major Clusters

4.1.1 Manufacturing Sector

All the four clusters in the district belong to the manufacturing sector. They are follows:

1. M/s. Valluvandu Wood Consortium, Pvt. Ltd, Perinthalmanna.
2. M/s. Malappuram Metals Engineering Consortium Pvt. Ltd., Manjeri.

3. Malabar Paper converters consortium Pvt. LTD.
4. Malappuram Automobile & Body Consortium Pvt. Ltd.

4.1.2 Service Sector : NIL

4.2 Details for Identified Clusters (as on 31.03.2016)

The details of each identified clusters are given in following tables

4.2.1 Name of the Cluster: Wood Cluster - Valluvandu Wood Consortium, Pvt. Ltd, Perinthalmanna

1	Principal Products Manufactured in the Cluster	Treated wood furniture & RSD
2	Name of the SPV	Valluvandu Wood Consortium, Pvt. Ltd
3	No. of functional units in the clusters	45
4	Turnover of the Clusters	30 lakh
5	Value of Exports from the Clusters	NA
6	Employment in Cluster	150 persons
7	Average investment in plant & Machinery	NA
8	Testing needs	NA
9	Thrust Area	NA
9	Presence of capable institutions	NA
10	Thrust Areas	NA
11	Access to Export Market	NA
12	Problems or Constraints	

Present Status	CFC in 1 acre land seasoning Kiln for members, 500 Sq. Ft. Capacity each. Vacuum pressure impregnation plant 125 Cft. Machining Hall etc are operational. (Aided under MSE-CDP)
----------------	---

Source: District Industries Centre, Malappuram

4.2.2 Name of the Cluster: Malappuram Metals Engineering Consortium Pvt. Ltd., Manjeri

1	Principal Products Manufactured in the Cluster	Light Engineering and Fabricated metal Products
2	Name of the SPV	Malappuram Metals Engineering Consortium Pvt. Ltd
3	No. of functional units in the clusters	68
4	Turnover of the Clusters	34 lakh
5	Value of Exports from the Clusters	NA
6	Employment in Cluster	229 persons
7	Average investment in plant & Machinery	NA
8	Testing needs	NA
9	Thrust Area	NA
9	Presence of capable institutions	NA
10	Thrust Areas	NA
11	Access to Export Market	NA
12	Problems or Constraints	NA

Present Status	All types of higher end engineering and fabrication machineries with powder coating facilities. State of art facilities for imparting capacity building training to entrepreneurs. Raw material bank in operation. (Aided under MSE-CDP)
----------------	--

Source: District Industries Centre, Malappuram

4.2.3 Name of the Cluster: Malabar Paper Converters Consortium Pvt. Ltd

1	Principal Products Manufactured in the Cluster	Paper Plates & Paper cup
2	Name of the SPV	Malabar Paper Converters Consortium Pvt. Ltd
3	No. of functional units in the clusters	NA
4	Turnover of the Clusters	NA
5	Value of Exports from the Clusters	NA
6	Employment in Cluster	NA
7	Average investment in plant & Machinery	NA
8	Testing needs	NA
9	Thrust Area	NA
9	Presence of capable institutions	NA
10	Thrust Areas	NA
11	Access to Export Market	NA
12	Problems or Constraints	NA
Present Status		Acquired land for setting up CFC; No aid received

Source: District Industries Centre, Malappuram

4.2.4 Name of the cluster: Malappuram Automobile & Body Consortium Pvt. Ltd

1	Principal Products Manufactured in the Cluster	Automobile bodies
2	Name of the SPV	Malappuram Automobile & Body Consortium Pvt. Ltd
3	No. of functional units in the clusters	NA
4	Turnover of the Clusters	NA
5	Value of Exports from the Clusters	NA
6	Employment in Cluster	NA
7	Average investment in plant & Machinery	NA
8	Testing needs	NA
9	Thrust Area	NA
9	Presence of capable institutions	NA
10	Thrust Areas	NA
11	Access to Export Market	NA
12	Problems or Constraints	NA
Present Status		Raw material bank in operation : 1 acre land acquired for setting of CFC – No aid received

Source: District Industries Centre, Malappuram

5. General Issues raised by Industry Association during the Course of Meeting

Followings are the major issues raised in the District

1. Non availability of developed land with infrastructure facility.
2. Financial institutions are not providing project based finance to upcoming units.

3. Stringent License and clearance regulations from Govt. Depts. and agencies concerned.
4. Technological gap exists in the district as there is no significant technological or research institutions available for providing such a support to the entrepreneurs

6. Steps to Set Up MSMEs

Following are the brief description of different agencies for rendering assistance to the enterprises.

Table 8 Type of Assistance and Agencies

Sl No:	Type of assistance	Name and address of agencies
1	Registration of Units under UAM	Micro small and Medium Enterprises Development Institute (MSME-DI) Ministry of MSME, Govt. of India Kanjany Road, Ayyanthole P.O. Thrissur-680 003 (Kerala) Email. dcdi-thrissur@dcmsme.gov.in , website: www.msmedithrissur.gov.in Ph. 0487-2360536/0487-2360686
