## **Brief Industrial Profile of Ramban District**

### **1. General Characteristics of the District**

Ramban is an important town on Jammu–Srinagar National Highway 1-A, about 150 kms from Jammu and is situated on the right bank of River Chenab. Earlier, Ramban was a Sub-District of District Doda, with Tehsil Ramban and Tehsil Banihal as its constituents. Ramban District has been carved out of the erstwhile District Doda which had the distinction of being second most largest District of the state because of exceptionally unique and most difficult of all other districts due to its typical Himalayan position and hilly terrain. Keeping in view the backwardness, remoteness and needs and aspirations of the people, the government in one of its landmark decisions in the history of J&K Governances declared Ramban as independent District. Thus the District Ramban came into being on 01-04-2007, since then its functioning independently. The splitting of erstwhile District Doda into three new districts of Ramban, Kishtwar and Doda came to be seen as great administrative requirement of time.

### **1.1 Location & Geographical Area.**

Ramban district has an average elevation of 1,156 meters (3792 feet). The boundary lines of Ramban district have come to be drawn from Patnitop on its south, Assar on its east, Gool on its west and Banihal on its north. River 'Chenab' also known as 'Chanderbhaga' river passes through the district. National Highway-1A (now 44) that connects Jammu with Srinagar passes through the district. Ramban is located at 33° 14' N and 75° 17' E longitudes with an altitude of 1000M from MSL. The boundary lines of new district have come to be drawn from Patnitop on its South, Assar on its East, Gool on its west and Banihal on its north.

### **1.2 Topography**

The climate of the District varies according to the altitude. The temperature rises as high as 42 °C in the low lying areas between Step Mountains and seldom goes below 1.50°C in the high altitude areas. The district is all mountainous with very difficult rough and terrain. The working season in a year remains restricted to eight months because of typical weather conditions of the districts. Ramban District, situated at the height of 1156 meters, is a newly

## DIP RAMBAN

formed district of the state of Jammu and Kashmir of India. It shares borders with Patnitop on South, Assar on East, Gool on west and Banihal on north

### 1.3 Availability of Minerals.

Nil

### 1.4 FOREST

Ramban Forest Division falls in revenue district of Ramban. River Chenab forms the South and South West boundary with Batote Forest Division, Pir Panjal Range forms North and North East boundary with Anantnag boundary, East by Dhupdana- Sharwa Dhumani- jwarta- Dandal- Gown ridge forms boundary with Doda Forest Division and West by Didon- Achan -Mal –Reliar- Munimal- Sarkanthamal - Pahlbathali- Sinkhali- Cotag ridge forming boundary with Anantanag and Mahore Forest Divisions. The gross area of the catchment is 82,178 ha, out of which 48,279 ha (59%) is under forest cover. Major portion of the track lies above 1500 meters altitude and experiences subtropical and temperate climate

### 1.5 Administrative set up.

**3.4: Is There Any Large Scale Industries / Public Sector Undertakings, If Yes Please Provide Details:**

Nil

**3.5: Potentials areas for service industry.**

*Tyre retreading, service stations, wheel alignment units, processing of dry fruits, automobile workshop, telecommunication booths etc*

**3.6: Potential for new MSMEs.**

*Ample potential of new MSME units exists in cement tile, cement house pipes, steel fabrications, furniture units, stone crushers, flour mills/oil mills/Atta chakkis, Repairing & Servicing of Automobiles Repairing & Servicing of Electronics Items Repairing & Servicing of Electrical) Food Industries, thermo/Plastic ware Mineral Water Agriculture Implement/Tools Steel Almirah Fabrications Horticulture based Industries Medicinal Aromatic Plants Floriculture Bee Keeping etc*

**3.7: Details of Existing Clusters:**

Nil

**3.8: LIST OF INDUSTRIAL ASSOCIATIONS OF YOUR DISTRICT.**

Nil

**3.9.** General issues raised by industry association during the course of meeting

Nil

**3.10.** Details of Units Engaged In exports.

Nil

**3.11.** *Do you recommend any MSME s for national award, if yes please provide details.*

Nil

**3.12: General Remarks of GM DIC Ramban:**

*1. There is maximum potential foe establishment of large scale industries/PSUs.*

*2. Ramban falls on Jammu and Kashmir national highway NH 1A and there are maximum potential areas for service industries.*

*3. There is possibility for establishment of a cluster of POP and cement because there is huge stock of gypsum available*

*4. Lack of availability of government land for industrial purpose hampers industrial development of this district.*

## 4. STEPS TO SET UP MSMEs

Following are the brief description of different agencies for rendering assistance to the entrepreneurs.

S.No	Type of assistance	Name and address of agencies
1.	Provisional Registration Certificate ( EM-1) & Permanent Registration Certificate ( EM-II)	District Industries Centre, Ramban
2.	Identification of Project Profiles, techno-economic and managerial consultancy services, market survey and economic survey reports.	ITCO, Exhibition Ground Jammu
3.	Land and Industrial shed	SICOP, SIDCO
4.	Financial Assistance	J&K Bank, SBI, PNB, ED Bank , Ramban, Punjab & Sind Bank Ramban JKFC Jammu JKDFC, IIInd Floor , Gandhi agar Jammu
5.	For raw materials under Govt. Supply	SICOP, Ramban
6.	Plant and machinery under hire / purchase basis.	NSIC , Exhibition Ground Jammu
7.	Power/ Electricity	PDD, J&K State
8.	Technical Know –how.	-District Industries Centre, Ramban -MSME DI I/E Digiana Jammu
9.	Quality & Standard	BIS , Chandigarh
10.	Marketing /Export Assistance	-Directorate of Industries & Commerce , Jawar Udyog Bhawan Rail Head Complex Jammu, -MSME DI I/E Digiana Jammu
11.	Other Promotional Agencies	EDI , Jawar Udyog Bhawan Rail Head Complex Jammu, -MSME DI I/E Digiana Jammu
