## 3. INDUSTRIAL SCENERIO OF CHIRANG DISTRICT

Infrastructure plays a vital role in economic and industrial development of an area. Adequate infrastructural facilities such as land, industrial accommodation, power, water, Financial Institutions etc. reduce the investment risk and attract the prospective entrepreneurs to set-up new industrial venture. As far as infrastructure facilities are concerned, the Chirang district is poor and reflected in the industrial field. There is only one large and Public Sector undertaking industries. Registered industrial unit is only 118 Nos in the district.
