#### **4. Potential Clusters of Micro & Small Enterprise**

Food Processing, Jute diversified products, Plastic based modern items, Chemical products, Paints and Varnish, Engineering industry

## **5. General issues raised by industry association during the course of meeting**

Skill based training programmes needs to be popularized. Credit is a major problem in the MSE sector. Marketing support also needs to be developed

## 6. STEPS TO SET UP MSMEs

Following are the brief description of different agencies for rendering assistance to the entrepreneurs.
