FOREWORD

At the instance of the Development Commissioner, Micro, Small & Medium Enterprises, Government of India, New Delhi, Bihar State Profile containing basic information about the state of Bihar has been updated by MSME-DI, Patna under the Annual Plan 2013-2014. It covers the information pertaining to the availability of resources, infrastructural support, existing state of industries, financial institution etc. besides the list of items having potential of manufacture in the State.

I am sure this State Profile would be highly beneficial not only to the prospective entrepreneurs but also to the existing Industrialists and promotional agencies. It is full of academic essence and is expected to provide all kinds of relevant information of the State at a glance. This compilation aims to provide the user a comprehensive insight into the industrial scenario of the State.

I take this opportunity to express my gratitude to all the Central / State Government departments for extending their cooperation and assistance in giving final shape to this book. I would like to thank Shri Anil kumar singh, Asstt. Director (EI) for their relentless effort put forth in preparing this highly informative State Profile right from the stage of data collection, compilation upto the final presentation.

Any suggestion from the users for the furtherance of the quality of the book will be highly appreciated and incorporated in the next publication.

Pradeep Kumar
Director

CHAPTER-I

Introduction:-

The territorial and administrative division of the country as well as its States have been changing in the inter censal periods. There were 42 districts in the State of Bihar at the time of 1991 census. The number of districts in the State had gone upto 55 before the first phase of census of India 2001. However, after the new State of Jharkhand was carved out of the territory of the composite State of Bihar on the 15th of November, 2000. The leftover portion of Bihar now consists of 38 districts only.

1.1 LOCATION

Bihar is the third most populated State in India. It is situated between 24° 20' 10" north latitude and 27° 31' 1" north latitude and 83° 19' 50" east and 88° 17' 40" longitudes. The state is bounded by west Bengal in the east, Uttar Pradesh in the west, Nepal in the north and Madhya Pradesh and Jharkhand in the south.

1.2 GEOGRAPHICAL AREA:

The geographical area of the state is 94163 Sq. km. With urban-rural bread-up as follows:

Description Area(in Sq.km)	Urban	Rural	Total
	1804.60	92358.40	94163

1.3 TWO DISTINCT REGIONS OF THE STATE:

There are two distinct regions which divide Bihar into two parts viz. North of Ganges river and south of Ganges rivers.

North of Ganges river:- This region comprises areas lying in the north of river Ganges. It covers the following districts:

1.	Begusarai	8.	Kishanganj	15.	Saran
2.	Khagaria	9.	Darbhanga	16.	Siwan
3.	Saharsa	10.	Madhubani	17.	Gopalganj
4.	Madhepura	11.	Samastipur	18.	West Champaran
5.	Supaul	12.	Muzaffarpur	19.	East Champaran
6.	Araria	13.	Sitamarhi	20.	Sheohar
7.	Katihar	14.	Vaishali	21.	Purnea

The area is alluvial plain and is densely populated. There is little forest, but no mineral wealth. The economy of the area is based mainly on agriculture. In spite of higher yield per hectare the per capita income of the people is the lowest in the region. This is because of excessive pressure of population on land, inequitable distribution of land, the area being flooded every year and less than optimum level of activities in the secondary and tertiary sectors of the economy. There is a concentration of sugar mills in the region. Some giant industrial complexes (like Barauni Refineries and Fertilizers Factory etc.) have also come up in the region.

Development of Small Scale Industries in the region is looked after by District Industries Centres located in each district of the region except newly created districts of Supaul, Araria, Kishanganj and Shivhar and by MSME-DI located at Muzaffarpur. Besides, there are two regional offices of Bihar Industrial Areas Development Authorities in this region one at Muzaffarpur and the other at Darbhanga to look after the objective of the industrialization of the region qualitatively and quantitatively.

South of Ganges River:

This is also an alluvial plain lying in the south of river Ganges and is primarily an agricultural area. Small quantities of minerals are also available in the region. The main industries are stone quarries, rice mills and a few sugar factories. It has large concentration of handlooms and powerlooms. This region comprises of the following district.

1.	Patna	10.	Munger
2.	Bhojpur	11.	Nalanda
3.	Buxar	12.	Jamui
4.	Rohtas	13.	Bhagalpur
5.	Bhabhua	14.	Banka
6.	Aurangabad	15.	Lakhisarai
7.	Gaya	16.	Sheikhpura
8.	Jehanabad	17.	Arwal
9.	Nawada		

The MSMEs activities in the region are better in comparison to North Bihar. The development of Micro Small and Medium Enterprises in the region is being looked after by the District Industries Centres in each district and by MSME-DI, located at Patna. Besides, there is one Regional office of Bihar Industrial Area Development Authority at Patna which looks after activities of Micro Small and Medium Enterprises functioning in the various Industrial Area/ Estate located in this region.

1.4 CLIMATE:

The climate of the state is by and large sub-tropical. There are four seasons in the state. They are –

- a. Spring season covering January and February months having average temperature ranging from 15°C to $16\frac{1}{2}^{\circ}\text{C}$
- b. Summer season covering March to May having average temperature ranging from $27\frac{1}{2}^{\circ}\text{C}$ to 30°C
- c. Rainy season covering June to September having rain fall 1250 mm to 1400 mm
- d. Winter season covering October to December having average temperature ranging from 8°C to 15°C

1.5 RIVER:

The Ganges is the most important river which passes through Bihar. Other rivers of the State are Kosi and Gandak in the North Bihar and Sone, Punpun, Sakari, Chanan in the South Bihar.

Chapter II

Human Resources

Population :

The population of the state as per 2011 census is 103804637 persons. Bihar is the 3rd most populous State of the Country with 54185347 males & 49619290 females. The density of the population in the state works out to 1102 persons per sq. km. as against 324 for all India. Sex ratio in the state is 916 females per thousand males. The Literacy rates is 63.82%.

The growth pattern of population in Bihar during last ten decades can very well be seen in the statement given below :-

STATEMENT SHOWING THE VARIATION OF POPULATION IN BIHAR AND IN INDIA DURING THE LAST TEN DECADES:-

Year	Total population	Percentage of increase/ decrease during the decade	Total population in India (in Lakhs)	Percentage of Increase/decrease during the decade	Percentage of population of Bihar in India
1901	173.4	-	2362.81	-	11.56
1911	283.17	+ 3.67	2521.22	+ 5.73	11.23
1921	281.29	- 0.66	2513.52	+ 0.31	11.19
1931	313.50	+ 11.45	2790.15	+11.01	11.24
1941	451.74	+ 12.20	3187.01	+ 14.22	11.04
1951	387.86	+ 10.27	3611.39	+ 13.31	10.74
1961	464.56	+ 19.77	4392.35	+ 21.50	10.56
1971	563.53	+ 21.33	5479.50	+ 24.80	10.30
1981	699.15	+ 24.6	6851.58	+ 25.00	10.20
1991	863.39	+ 23.49	8439.31	+ 23.17	10.23
2001	829.98	+ 28.43	10270.15	+ 21.34	8.07
2011	103804637	+25.07	12101.93	+17.60	8.50

MATERIAL RESOURCES

The old Bihar state was rich in material. After the carving out of Jharkhand state the left over Bihar state is not so rich in material resources. Availability of material resources in the state can be studied by putting a look on sector wise details given below;

AGRICULTURE

The portion of Bihar north of the Ganges river is rich in alluvial soil and lands are very fertile. The portion south of river Ganges is having combination of soils. These are patches of alluvial soil, sandy soil, clay soil and mix of any two which are very suitable for the particular types of crops. The land utilization in Bihar during 2005-06 is given below :-

LAND UTILIZATION PATTERN IN BIHAR 2007-08 :

<u>Classification of Land</u>	<u>Area (lakh Hectares)</u>
Total Geographical Area	93.60
Forest	06.22
Barren and uncultivable	04.32
Land put to none Agricultural use	16.90
Cultivable Waste	00.45
Permanent pastures & Grazing land	00.16
Misc. Trees and Orchards	02.44
Other Fallow lands	01.22
Current Fallow Lands	08.58
Net shown Area	53.32
Gross Cropped Area	72.96
Area shown more than once	19.64

Major crops produced in the state are rice, wheat, gram, barley, Sugar-cane, maize, oil, seeds, Masoor, Khesari, Arhar, Tobacco, Potatoes, and Chilies. Through the Five Year Plan, the government has been trying to provide assured irrigation, adequate doses of fertilizers, improved seeds, modern implements, pesticides and other technical facilities. As a result the production in agriculture sector has been increased in the state in comparison to the past. The table showing the area, production and average yield is given below for the year 2008-09.

CROPS	AREA (000' hectare)	YIELD (000' MT).
Rice	2967	5072
Wheat	2104	4639
Maize	733	1702
Barley	13	16
Ragi	10	07
Other Millets	04	03
Tur	27	37
Gram	55	58
Massor	178	159
Khesari	79	82
Pear	20	20
Moong	150	65
Others	41	37
Rape seeds & Mustards	90	91
Linseed	23	19
Others	20	30
Sugar cane	73	3444
Potato	151	1434
Onion	15	133
Chillies	02	03
Other spices	07	09
Jute	125	1147(Th. bales)
Mesta	17	124 (Th.bales)
Tobbaco	09	17

Source : Deptt. of Statistics, Govt. of Bihar

Livestock :

Bihar is predominantly an agricultural State. Naturally there is a huge population of livestock. Quantity of hides and bones made available after the death of animals every year is considerable. These can be used for industrial purposes. Some basic data pertaining to livestock resources are given below :

<u>LIVESTOCK</u>	<u>2007 Cattle Census</u>
Cattle	12407987
Buffaloes	6690418
Goat	10167009
Sheep	218350
Pig	632060
Horses & Ponies	50904
Other livestock	26874
Poultry	11419852
Annual Availability of Hides & Skins in (Thousand no.) (2005-6)	17292
Annual availability of Milk (in Lakh Tone) (2006-07)	24006
Annual Availability of Milk (in Lakh Tone) (2009-10)	65.17

FOREST :

After the formation of the Jharkhand State out of Bihar the leftover Bihar state is having small area under forest. Only 6.22% of total Geographical area of Bihar State comes under Forest. Naturally Bihar remains a poor state in forest resources. As Bihar is deficient in forest area having much lower coverage of forest than the national average, there is a need of rapid afforestation in order to maintain environmental balance.

Bihar is having little patches of forest in Rohtas & West Champaran Distt. There is almost insignificant commercial production of major product in Bihar. Among the minor produce Kendu leaves are being produced. In the 2006-07 forest revenue was Rs. 618 lakhs

MINERALS :

The State of Bihar possesses a no. of minerals which includes limestone, Pyrite, Magnetite, mica, China clay, Galena, Salt Peter, etc.

Among the major minerals in Bihar produces minerals like Limestone, Pyrite, Soapstone, Silica Sand, Quartz, Felspar, Mica etc. Bihar is the sole producer of Pyrite in India. Lime stones deposits are located in Rohtas. (Jadhunathpur, Nawadih, Kaonakpur.

Beldouria, Jaradag, Pipradih etc.) The Pyrite deposit is located at Amjhor in Rohtas district. In Bihar Soapstone is produced at Shankarpur in Jamui District. Quartz deposits are located in Jamui & Gaya District.

Among the minor minerals sand, brick, stone quartzite, Slate, Moram, and Granite, are being mined in Bihar.

The reserve and production of important major minerals in the state during the year 2007-08 are as follows :-

Sl. No.	The Name of Minerals	Quantity
1.	Limestone (000MT)	629
2.	Quartz/Silica sand	30
3.	Morram(000cft)	44.56
4.	Soap Stone(000cft)	3
5.	Stone (lakh cft)	2235.64
6.	Bricks(lakh No.)	72504
7.	Sand(others) Lakh cft	15502.55
8.	Boulder(lakh cft)	16.80

The revenue earned through the major & minor minerals in Bihar during 2007-08 is as follows :

<u>Minerals</u>	<u>Revenue in (Rs. Lakh)</u>	
Limestone	1258	
Silica Sand	137.25	
Soap stone	10.50	
Brick	147218.00	
Sand	31412.22	
Stone	15032.29	
Morum	325.07	
Boulder	158.00	
		Major Minerals

CHAPTER III

INFRASTRUCTURE & INSTITUTIONAL SUPPORT

INFRASTRUCTURE :

3.1 ROAD :

All the district head quarters of the state are connected by road. The break –up and total length of road in the state as on 2009 is given below :-

Sl.No.	Type of Road	Length in Km.
1.	National Highway	3734.38
2.	State Highway	3989.00
3.	Large District Road	8143.55
4.	Other District Road (Pucca mud)	13.00
5.	Rural Road (Pucca Mud)	66516.21
6.	Total (Pucca + Mud)	83473.63

3.2 REGISTERED MOTOR VEHICLES (2007-08)

i.	Trucks	2161
ii.	Three Wheelers	5523
iii.	Bus	1276
iv.	Car & Station Wagons	7425
v.	Taxi	2744
vi.	Jeep	3904
v.	Two Wheelers	110000
vi.	Tractors	7609
vii.	Trailors	5084
viii.	Others	2563
	Total Motor Vehicles on Road	149000

3.3 RAILWAY :

All old districts Headquarters of the State are well connected by rail. The State is served by Eastern Railways and North-Eastern Railways in South Bihar and North Bihar Respectively.

3.4 AVIATION :

Patna the Capital of Bihar is on the route from Delhi to Calcutta. It is also connected from Mumbai by air. Regular air services are available from Patna to Ranchi, Lucknow, Kathmandu, etc. All districts Headquarters (except those recently created) are having landing Facilities for small air crafts.

3.5. ELECTRICITY POWER :

The Electric power supply in Bihar (undivided) is mainly done by Patratu Thermal Power Plant, Barauni Thermal Power Plant and Kanti Thermal Power Plant. Koshi hydro power station and Swarnrekha hydro power station also supply power during the peak hour in rainy season. Some small power generating systems are also working in State which supplies power in the adjacent localities. The State is poor in the power generation. Major portion of electricity used is purchased by the State.

One thermal power station with 2000 MW capacity is under active construction at Barch which is expected to be operative early in near future.

The generating capacity of the different power stations during 2010-11 is as given below.

Statement showing the generation Capacity of Electricity of different power station in Bihar.

Power Stations	Generating Capacity in MW	Actual Generation Power in (Million Units)
Barauni	320.00	153.491
Muzaffarpur (Kanti)	220.00	153.491
Total		306.982

The supply position in comparison to demand is not satisfactory in the state. Keeping in view the growing demand for power in the state one thermal power station at Barh is being set up. The total electricity purchased and produced in the year 2005-06 was 862 7.70 million units of which 2512.98 million units was lost in transmission. Due to insufficient production of power and greater loss in transmission creates shortage of power which needs to be improved in order to give boost to industries in the State.

Upto March 2010-11 total village electrified in the state was 29764 which is nearly 76.28% of the total villages of the state.

Against all India Average of 83% village electrified percentage of village electrified in Bihar was 76.28% upto March 2010-11

EDUCATIONAL INSTITUTION IN THE STATE, BIHAR

Educational Institutions and Professional training colleges are the basic needs for the human resources development in every country. In Bihar the following educational and Technical Institutions are functioning.

Sl. No.	Institution	Nos.
1.	Primary Schools/Junior Basic schools	40000
2.	Middle schools/Senior basic schools	13000
3.	High Schools	2961
4.	Senior Secondary School (10 + 2)	145
5.	General Educational College	550
6.	Universities	12
7.	Research Institutions	4
8.	Agricultural & Forest Colleges	2
9.	Engineering Colleges	4
10.	Law Colleges	13
11.	Medical Colleges (Allop)	6
12.	Ayurvedic/Unani	14
13.	Homoeopathic Colleges	15
14.	Dental Colleges	1
15.	Nursing School	6
16.	Pharmacy college	1
17.	Veterinary	1
18.	Teacher Training Colleges	8
19.	Physical Education Institution	2

3.7 BANK :

As on March, 2012 the total nos. of bank branches functioning in the state were 4860 of which 1594 were of rural banks. The State Bank of India is the convener of the State level banker's Committee. (SLBC) The Punjab National Bank, State Bank of India, UCO Bank, Central Bank of India are functioning as lead Bank in different districts of the state. Further details are given below in Annexure – I.

Central Development Agencies for the Development of Micro, Small & Medium enterprises in the State.

3.8 Micro, Small & Medium Enterprises Development Institute :

MSMEDI, Patna earlier known as Small Industries Service Institute Patna came into existence in the year 1955 with a view to providing technical managerial and economic support to the entrepreneurs of this State. Later on keeping in view the growing needs of the entrepreneurs the extension centre of the Muzaffarpur was converted into full-fledged institute. These institutes are equipped with modern machines in the workshop to provide common facility services to the existing units and imparting skill development training to small scale industries workers. The details of the working of MSME-DI in the state are given below:

MICRO, SMALL & MEDIUM ENTERPRISES DEVELOPMENT INSTITUTE AT WORK

MSME-DI, Patna & MSME-DI, Muzaffarpur renders following assistance to prospective and existing entrepreneurs in the State.

ECONOMIC INFORMATION :

The success of planning depends largely on the availability and the supply of economic information, Economic Investigation division in this Institute since its very inception apart from rendering general consultancy services played a significant role in providing economic information. The E.I. Division conducts feasibility surveys of selected industries and product as also the Industrial potentialities surveys of selected areas. At present there are 38 districts in the state. Small Industries Service Institute is making all out efforts to conduct industrial potentialities surveys of each of these districts. As a result Bhojpur, Aurangabad, Nalanda, Shekhpura, Jehanabad, Rohtas, Jamui, Munger, Nawada, Lakhisarai, East Champaran, West Champaran, Banka, Gaya, Buxar, Patna, Siwan, Muzaffarpur, Khagaria, Araria, Gopalganj, Darbhanga and Madhepura district have been already surveyed & reports have been prepared by MSMEDI. It is proposed to conduct feasibility surveys of all other newly created districts of the state. Feasibility study reports of setting up industrial Estates/Area are also conducted by MSMEDI. So far 32; Industrial Estates and 32 Industrial Area Reports have been prepared. Such reports are prepared at the request of the state Government.

Industry prospect sheets, review reports etc. are also prepared by the economic Investigation division which reveals the prospects of Industries vis-à-vis their present condition in the State. So far more than 600 Industry prospect sheets have been prepared by this division.

Being fully aware of the fact that industrial sickness in the state has emerged as serious problem, this institute is also engaged in conducting sick units studies and prepares rehabilitation schemes. More than 1000 sick unit cases have been studied by this Institute so far. Besides, the division also provides advice assistance and information to new

entrepreneurs for setting up their units in the state. Director, MSME-DI, Patna is the convener of State Level Committee constituted for the rehabilitation of sick SSI units by the Govt. of Bihar in place of Apex Body. In this capacity MSME-DI, Patna receives applications, Scrutinizes the papers, submits them in the State Level Committee meeting for discussion /decision. Thus MSMEDI, Patna is actively associated in rehabilitation of sick MSEs Units.

This Division also organizes motivational campaigns at different places to motivate prospective entrepreneurs for setting up their units. In this campaigns the units are registered on the spot and NSIC and other participating agencies also provide them necessary assistance

MANAGEMENT DEVELOPMENT PROGRAMMES.

Lack of entrepreneurial talents and favourable response happen to be major inhibiting factors in the development of industries in a developing economy like ours. There is mounting pressure of unemployment even amongst the educated masses which remains a baffling problem. With a view to fashion a mental make up of the people with forward outlook and to infuse concept of modern Industrial management into those who are already in the field of manufacturing activities some orientation programme in the form of training, deemed a necessity of the day are also organized.

The IMT Division of the MSMEDI undertakes various promotional and management training programmes both at artisan and other levels. Through MSME-DI and its branches the workers are given training in improved techniques and operation of sophisticated machine tools.

In the Entrepreneurial Development programmes, the Institute has conducted 23 courses during 2013-2014 for educated unemployed youths. Similarly production management sales promotion and advertisement, inventory control and marketing management course have also been organized benefiting more than 331 persons.

To motivate women entrepreneurs MSME-DI has organized programmes suitable for women entrepreneurs also. Apart from imparting theoretical training, demonstrations on pertinent topics eg. Preparing Jams and Jellies, cleaning powders, Readymade Garments, Fashion Designing, Doll Making etc. are also undertaken.

TECHNICAL ASSISTANCE & CONSULTANCY SERVICES

The Institute have been provided with officers and staff in various disciplines of engineering and allied activities to render necessary consultancy services to industries. The officers prepare schemes and project profiles for guiding the new entrepreneurs and assess capacities of the unit as also to help the DIC solving technical problems.

Modernization work is also being looked after by the technical divisions. Desirous units are being provided with all the facilities available with MSMEDI to modernize their units. Every year technical divisions are providing assistance to more than thousand

entrepreneurs. Previously Bihar State Financial Corporation, Commercial Banks were referring their financial assistance cases for SISIs for scrutiny and comments on the visibility of the schemes. But now they have their own technical cells. However, MSMEDI continues to extend help and assistance to entrepreneurs seeking funds from corporation/Banks who face difficulties in obtaining the same. Apart from the above mentioned assistance MSMEDI provide assistance to NSIC, DIC and also look after the work of research & development.

Technical training programme on household electrical appliances: - Seeing the increasing demand for repairing and servicing of electrical home appliance (i.e. electrical Iron, mixer, ceiling fan, Table Fan, geysers, stabilizers, televisions) etc. MSMEDI, Patna has launched a technical training programme on household electrical appliances. There is ample scope of self employment and employment in other govt. and non govt. offices after getting training on the above mentioned topics.

WORK SHOP FACILITY

There is a mechanical workshop established in the campus of MSMEDI, Patna located in Industrial Area, Patliputra to cater to the needs of MSMEs located in the Industrial area and its jurisdiction. Besides, giving job work facilities at moderate rate to MSMEs it also undertakes development work like improvement in tooling, improvement in quality, design, product development, die etc.. Besides above work it also undertakes 6 months skill development course in the field of machine shop practice and welding trade for the workers of MSMEs as well as to fresh candidates. MSMEDI workshop has some sophisticated machines as well as common facilities machines to meet the requirement of its jurisdiction. The workshop is having the following machine.

HMT Hydraulic Surface grinder

HMT Lathe 11-22 (all geared)

HMT Milling Machine

Shaper Machine

Tool Cutter Grinder

Pillar Drill

Electric Discharge machine

ARC Welding machine

3.9 SMALL INDUSTRIES DEVELOPMENT BANK OF INDIA

Small Industries Development Bank of India was set up by an act of parliament as an apex institution for promotion, financing and development of industries in small scale sector and for coordinating the functions of other institutions engaged in similar activities. It commenced its operation on April 2, 1990 SIDBI has been providing assistance through appropriate schemes of direct and indirect assistance for the following purposes :

- ❖ Setting up of new project
- ❖ Expansion, Diversification, modernization, technology up gradation, quality improvement, rehabilitation of existing units.
- ❖ Strengthening of marketing capabilities of SSI units
- ❖ Development of Infrastructure for SSI
- ❖ Export promotion

All the Schemes of SIDBI both direct and indirect assistance are in operation in all the states of the country through Regional/Branch offices of SIDBI.

Main Schemes of SIDBI are as follows:

- ❖ National Equity Fund Scheme which provides Equity support to small entrepreneurs setting up projects in tiny sector.
- ❖ Technology development and modernization Fund Scheme for providing finance to existing SSI Units for technology up gradation/modernization.
- ❖ Single window scheme to provide both term loan for fixed assets and loan for working Capital through the same agency.
- ❖ Composite loan scheme for equipment and for working capital and also for work sheds to artisans.
- ❖ Mahila Udyog Nidhi Scheme,
- ❖ Schemes for financing activities relating to marketing of SSI Products
- ❖ Equipment finance Scheme
- ❖ ISO 9000 Scheme
- ❖ Micro Credit Scheme

For the details of the above mentioned schemes branch office of SIDBI located at Patna can be contacted.

SIDBI
Hotel Minar Building Part II
2nd Floor Exhibition Road
Post Box no. 220, Patna 800001

3.10 National Small Industries Corporation

The National Small Industries Corporation Limited was established in the year 1955 by the Govt. of India with a view to promote aid and foster the growth of small scale industries in the Country. The recent change in the business Scenario including liberalization of total economic environment within the country and in the international areas have thrown upon as many opportunities as challenges to the small scale sector. NSIC remains at the forefront of the industrial development and acts as catalyst in bringing forth a large no. of viable small scale industries by providing support under its various schemes all over the country.

Different Schemes being run by NSIC are mentioned below in brief for the benefit of the entrepreneur (new and existing one).

1. Plant and Machinery Finance under :
 - a) Hire Purchase Scheme
 - b) Equipment leasing Scheme
 - c) Italian line of Credit
2. Composition term loan (CTL) Assistance up to Rupees 25 Lakhs only
3. Single Point Registration Scheme for Govt. stores purchase programme
4. Raw material Assistance Scheme
5. Support through Bill Financing/Discounting
6. Assistance through tender marketing and Consortia Marketing.

For detail information the Branch office of NSIC address of which is written below can be contacted.

The NSIC Ltd.
104, First floor, Manna Surti Complex
Doctors Colony, Kankarbagh
Patna, 800020
Tel. No. 0612-2354222 & Fax no. 0612 – 2354222

3.11 NABARD

National Bank for Agriculture and Rural Development was established in 1982 through an act of parliament as an Apex Development Bank for supporting and promoting agriculture and rural development in an integrated manner. Since then it has been providing refinance to banks against loans for manufacturing, Processing, and service activities in small, tiny, cottage and village industries sector. The credit package covers financial needs of different segments of rural nonfarm sector, like traditional industries (handloom, handicrafts, coir, sericulture etc.) agro industries, modern industries (ancillarisation, mother units common service centres) services and goods transport sector etc.

Refinance from NABARD is made available to banks on either automatic basis without presanction procedure or on schematic basis with prior approval. Important promotional Development Programme under non farm sector are given below for the details

of which regional office of the NABARD at Mauryalok Complex 'B' Block Dakbunglow Road, Patna -800001 can be contacted.

Promotional development programmes under non farm sector are :

1. Training cum production centre (TPC)
2. Rural Entrepreneurship Development Programme (REDP)
3. Training of and master Craftsman (TMC)
4. Market oriented Training (MOT) for Rural Artisans.
5. SENFEX II (Self Employment for Ex serviceman)
6. ARTISAN GUIDE
7. MOTHER UJIT
8. Common Service Centre
9. Agriculture and Rural Enterprises Incubation Fund Dev.(AREIF) Ventre Capital Fund.
10. Assistance to rural Woman in Non-Farm (ARWIND)
11. Govt. of India Scheme for intensive Development of rural Industries.
12. Area plan for Rural Industrialisation (APRI)
13. Assistance for marketing of Non Farm products of rural woman (Mahima)

3.12 KHADI AND VILLAGE INDUSTRIES COMMISSIN (KVIC) :

KVIC was established in April 1957 to plan, organize and implement programme of development for Khadi and Village Industries. The objective of the KVIC are generally to plan, promote, organize and assist individuals and institutions in implementation of the programme for the development of Khadi and Village Industries. The Training Centre at Dr. Rajendra Prasad, MDTC, KVIC Sheikhpura organizes training programmes on various subjects e.g. Laundry Soap, Fibre artisan, Beekeeping Detergent, Papad making, Candal making, Agarbathi making etc. of duration varying from one week to 6 months. List of industries under the purview of KVIC is mentioned in the Annexure-II.

3.13 STATEE AGENCIES FOR THE DEVELOPMENT OF SMALL SCALE INDUXSTRIES

DEPARTMENT OF INDUSTRIES

The very size and dispersed nature of the MSMEs sector implies that the onus of promotion and development of MSMEs rests mainly on State Governments and State Institutions. At the state level Department of Industries is the main executive and regulatory agency functioning under Industrial Development Commissioners which clearly watches and monitors the overall Industrial development activities in the State. State Govt. also evolves and implements policies and programmes for development of Micro Small and Medium Enterprises.

For the rehabilitation of sick Micro Small and Medium Enterprises in the State, there is a State Level Committee in place of hitherto Apex Body. The Director of the Industries, Government of Bihar is the Chairman and Director SISI, Patna is the convener of this

committee. BSFC, BICICO, RBI, SIDBI and all nationalized commercial Banks are members of this Committee. Besides, commercial taxes department, the Bihar State Electricity Board and Department of Institutional Finance are also represented in the body. Desirous units make application to this body on the prescribed format(given at Annexure-III). On the recommendation of this committee eligible units are declared sick by the Director of Industries, and recommendations are made to other institutions to provide relief as suggested.

Name of the IDC and D.I. are given below –

<u>Name, Designation & Address</u>	<u>Telephone No.</u>
Sri Naveen Verma Secretary and Commissioner, Govt. of Bihar, Deptt. Of Industries, New Secretariat, Patna	2221211
Sri Shailesh Thakur Director of Industries Govt. of Bihar Deptt. Of Industries, New Secretariat, Patna.	2235812

3.14 DISTRICT INDUSTRIES CENTRES (DIC)

DICs Came into being as a result of recommendations of Industrial policy statement of 1977. It was thought necessary to provide an integrated administrative frame work at district level to support cottage and small industries which was widely dispersed in rural areas and other small towns. All the service and support required by small entrepreneurs which range from pre investment, and post stages of each project was envisaged to be provided under the single roof of DIC. These includes economic investigation of local resources, marketing quality input consultancy and extension services.

Since 1977-78 District Industries Centres are functioning in all districts. These centres provide all initial information, guidance and facilities to willing entrepreneurs in setting up their Enterprises besides giving Enterprises Memorandum I&II, raw material assistance and sponsoring of loan applications to banks and other financial institutions. The DICs are functioning as Nodal Agency for implementation of Prime Minister Employment Generation Programme in the concerned districts.

3.15 OTHER STATE LEVEL SUPPORTING INSTITUTIONS :

The State Government has also considered the needs of the entrepreneurs in the right earnest and for smooth industrializations in the State, it has set up financial as well as technical and other institutions to provide various facilities to the entrepreneurs. As a result, at present, the following institutions are working in state. Name of the Institutions as well as their Telephone Nos. are also given for information.

Sl.No.	Name of Institutions	Tel. No.
1.	Bihar State Financial Corporation (BSFC)	2234210, 2232016
2.	Bihar State Credit & Investment Corporation, Indira Bhawan, Patna.	2234298, 2232298
3.	Bihar State Small Industries Corporation, Indira Bhawan, Patna.	2231335, 2231123
4.	Bihar State Industrial Development Corporation (BSIDC), Indira Bhawan, Patna	2232165
5.	Bihar State Export Corporation (BSEC) Land Development Bank Complex, Patna	2221221, 2230977
6.	Bihar State Leather Industries Development Corporation (BSLIDC)	2660546

8.	Bihar State Chemical & Pharmaceuticals Development Corporation (BSCPDC) 5 th floor, Mauryalok Complex, Patna	2222497
9.	Bihar State Handloom & Handicraft Corporation, Udyog Bhawan, Gandhi Maidan, Patna.	2687198
10.	Bihar State Textile Corporation, Lalit Bhawan	2233482
11.	Directorate of Technological Development	2231623, 2221462
12.	Institute of Entrepreneurship Development Nariman Building	2230154, 2230153
13.	Bihar Industrial & Tech. Consultancy Organization (BITCO) Indira Bhawan, Patna	2234308
14.	Industrial Data Bank	2232695
15.	Upendra Maharathi Slip Sangathan (Gudia Centre)	2262482
16.	Bihar State Khadi Gramodyog Board	2673725, 2671732
17.	Bihar Industrial Area Development Authority.	2300642, 2300939

INDUSTRIAL AREA DEVELOPMENT AUTHRITIES :

To provide all Infrastructural facilities at a place, Government has set up the Industrial Area Development Authorities. Earlier there had been 3 Industrial Area Development Authorities in the State to cater to the needs of the entrepreneurs of the respective area and to accelerate the pace of industrialization in the Region. Later on all the 3 Industrial Area Development Authorities have been merged into one and renamed as Bihar Industrial Area Development Authorities having its Regional Office at Patna, Muzaffarpur and Darbhanga. Details of Industrial Area/Estates may be seen in Annexure-IV.

3.16 HANDICRAFT INSTITUTE

To develop handicrafts in the state, the State Govt. has established one Institute at Patna which provide training in various trades of handicrafts. Govt. has also set up some training centres at important places where traditional workers of handicrafts are available. Besides these facilities. Govt. gives financial support to private institutions also who are engaged in imparting training.

3.17 Strategy concessions/incentives adopted by State Government:

To promote small scale Industries in the State, the Government has adopted certain resolutions from time to time to develop small scale industrial units in the state. The government has introduced New Industrial policy which is effective from 01-07-2011. Text of the Industry policy is given at Annexure (V)

3.21 Industrial Estates and Industrial Areas.

For Speedy development of small scale Industries, the State Government has set up Industrial Estates as well as Industrial Areas where in sheds and plots have been developed and allotted to small scale industries. Details of these Industrial Areas have been furnished in Annexure-IV.

CHAPTER –IV

STATUS OF INDUSTRIES IN THE STATE OF BIHAR

Large & Medium Scale Industries in the State

4.1 With the vast natural resources endowed to the state coupled with the human resources, there has been substantial development in the medium and large scale sector and small and tiny sector as well. There are as many as 250 medium and large scale Industries in the state. These units are manufacturing variety of items namely cotton, yarn, sugar, railway coaches, road roller, paper, fertilizer, straw boards, cigarettes, refractories, electric motors, medicine, jute products, chemicals etc. The names and addresses as well as item of manufactures are given in Annexure-VI.

4.2 After the declaration of new liberalized industrial policy by the Govt. of India, reasonably good response has been received so far as establishment of new industrial unit is concerned. After the declaration of new Industrial policy many large and medium industries are in pipeline and likely to commence production in the near future.

MICRO SMALL & MEDIUM ENTERPRISES :

4.3 So far as development of Micro , Small & Medium Enterprises in the state is concerned, the has witnessed appreciable increase in the number of small scale industries. The cumulative of nos. of MSME registered/EM filed units in Bihar upto Dec.2013 are 196711. Year wise details may be seen at Annexure-VII.

During 2010-11, the 4th All India census of Small Scale Industries was conducted and a quick Survey result has been published. Some of the important observations made in the quick survey result in the context of Bihar is furnished in Annexure-VIII.

EXPORT AND EXPORTING INDUSTRIES IN THE STATE

4.4 EXPORT

When the whole world is witnessing the pervading impact of revolution in the information technology no country or region can reap the fruit of prosperity in isolation. The development in science has squeezed the vast universe to a global village and has thrown the whole world wide open to feel the intensity of global competition. It has become all the more important to exploit the global market after signing of WTO agreement by most of the countries of the world. In this age of liberalization every country has easy access to the markets of other countries. Countries having substantial earning through export are progressing at greater pace. MSMEs have proven to be the pivotal sector for the prosperity of the country. It is clearly manifested when the share of MSMEs export in the nation total export is observed. Realizing this truth it seems to be imperative for any state to give emphasis over export.

Keeping into consideration the great concern over improvising the export activity of the state it has been strived to facilitate the new comers and the existing ones particularly in the field of MSMEs with all the information regarding how to export and how to grab the bigger share of global market.

The ministry of commerce is the nodal agency for the country, external trade and related matters. It implements policies in the sphere of foreign trade reflected in the export Import policy (EXIM Policy) of the Country with a view to accelerating their Country's transaction to the global market. The Import-Export trade control organization headed by the Director General of Foreign Trade is responsible for the execution of the Import and Export policies of the Govt. of India. The Director General of foreign trade has sub offices in almost all the states of the Country. In Bihar it is situated at Patna. The name and addresses of the offices are given below.

The Office of the Joint Director General of Foreign Trade
Ministry of Commerce
Biscoman Bhawan(Ground Floor). Patna 800001
Fax No. 0612-2212052.

The first requisite precondition for any Importer and Exporter is to obtain Importer Exporter Code no. (IEC no.) which is provided by the above mentioned office. For obtaining (IEC no.) which is provided by the above mentioned office. For obtaining IEC no. one has to submit application in duplicate along with the necessary fee.

Indian Trade Promotion Organization (ITPO) a Govt. of India Enterprises located at Pragati Maidan, New Delhi 110002 publishes an 'Indian Export Bulletin' which covers overseas market information, Trade fairs and exhibitions, Informations for Exporters, ITPO activities, Trade opportunities, Tender notices from abroad etc.
Exporting Industries

There has been substantial Export from the State of Bihar and a good number of units are engaged in exporting activities. Names and Addresses and Items of Export of the Exporting Industries have been furnished in Annexure-IX

During the year 2000-01 products exported exclusively through Bihar State Export Corporation is worth Rs.89,68,583/- Items, Countries to whom exported and amount of export during 2000-01 is given below;

Sl.No.	Item	Country	Amount
1.	Cotton (Handloom)	Germany	1624565
	Handicraft		
2.	R.M.G.	U.S.A	7344018
		<u>Total</u>	<u>8968583</u>

CHAPTER - V

GUIDELINES ON PRIME MINISTER'S EMPLOYMENT GENERATION PROGRAMME (PMEGP)

1. The Scheme

Government of India approved the introduction of a new credit linked subsidy programme called Prime Minister's Employment Generation Programme (PMEGP) by merging the two schemes that were in operation till 31.03.2008 namely Prime Minister's Rojgar Yojana (PMRY) and Rural Employment Generation Programme (REGP) for generation of employment opportunities through establishment of micro enterprises in rural as well as urban areas. The scheme will be implemented by Khadi and Village Industries Commission (KVIC), a statutory organization under the administrative control of the Ministry of MSME as the single nodal agency at the National level. At the State level, the scheme will be implemented through State (KVIC) Directorate, State Khadi and Village Industries Boards(KVIBs) and District Industries Centre (DICs) and banks. The Government subsidy under the Scheme will be routed by KVIC through the identified Banks for eventual distribution to the beneficiaries/entrepreneurs in their Bank accounts.

2. Objectives

- i. To generate employment opportunities in rural as well as urban areas of the countries through setting up of new self-employment ventures/projects/micro enterprises.
- ii. To bring together widely dispersed traditional artisans/rural and urban unemployed youth and give them self-employment opportunities to the extent possible, at their place.
- iii. To provide continuous and sustainable employment to a large segment of traditional and prospective artisans and rural and urban unemployed youth in the country, so as to help arrest migration of rural youth to urban areas.
- iv. To increase the wage earnings capacity of artisans and contribute to increase the wage earning capacity of artisans and contribute to increase in the growth rate of rural and urban employment.

94. Embroidery
95. Manufacture of surgical bandage
96. Stove wicks
97. Carpet weaving
98. Traditional dresses
99. Shawl wearing (97-98 for N.E. only)

Group - VII: Service Industry

100. Laundry
101. Barber
102. Plumbing
103. Servicing of Electronic appliances and equipments
104. Repairs of diesel engines Pumpsets etc.
105. Tyre vulcanizing unit
106. Agriculture servicing of Spares
107. Hiring of sound system like loud speaker, amplifier mike
108. Battery charging
109. Art Board painting
110. Cycle repair shop
111. Masnsonry
112. Band troupe
113. Motorized local boat (Fibre glass for Goa only)
114. Motorcycle to fly as Taxi (for Goa only)
115. Musical instruments (for Goa only)
116. Motorcycle Taxi
117. Dhabas (Not serving Liquor)
118. Tea Stall
119. Iodized salt

Questionnaire

Application for Rehabilitation of Sick Unit

1. Name, Address & Telephone No. of the Unit
 - a. Factory
 - b. Office
 - c. Name, Address & Telephone No. of the Contact person for correspondence in respect of the applicant unit
2. Registration no. & Date as small scale unit
3. Constitution of unit giving name of the Proprietor / Partner / Directors etc.
4. Investment

	Original (as on)	Present (as on)
	Rs.	Rs.
5. Land & Building

	Rs.	Rs.
	Rs.	Rs.
6. Date of commencement of Commercial Production
7. Main Items of Manufacture
 - a.
 - b.
 - c.
 - d.
 - e.
 - f.
8. What standards for Quality control are followed

9. Employment (Nos.
- a. Managerial
 - b. Skilled
 - c. Unskilled
 - d. Others
10. Installed Capacity in Quantity & Value (item wise)
11. Production during the last three years in Quantity & value (if a unit is closed earlier than the last three years the production of three years prior to the date of closure is to be furnished)
12. Sales for the corresponding three years (year wise) in Quantity & value
13. Cash Profit / Cash Loss in the corresponding three years (year wise)
- a. If loss, accumulated cash loss at the end of last accounting year.
 - b. Net worth (i.e. Equity & Free reserve) during the last two years
Last year (20..... - 20.....)
Year before (20..... - 20.....)
14. Main Buyers of your product
15. Present position of the unit whether the unit is working or closed? Why the unit was closed?
16. Power
- a. Sanctioned load
 - b. Connected load
 - c. Minimum Guarantee charges (payable monthly)
 - d. Average monthly Electricity bill paid
 - e. In case the electricity connection has been disconnected give reason for the same and the date of discussion

17. Source of Finance

Nature of loan	Source	Application		Sanction		Disbursement	
		Date when applied	Amount Applied for	Date of sanction	Amount Sanctioned	Date	Amount
Term loan							
Working capital							

18. Details of repayment of outstanding (as on.....)

	Amount	Periodicity of installment fixed	Total amount paid till date	Net outstanding till date
I. Term Loan				
Principal Amount				
Interest of TL				
II. Short term loan				
Interest				
Other Statutory dues (please specify)				
a.				
b.				
c.				

19. Whether any case is pending in the court of law in respect of this unit, if yes give details

20. Main reason for sickness (please give full write up about your nit with as many as details as are necessary to make your points clear but in a concise form)

- Technical problems
- Management problems
- Dearth of Raw materials
- Lack of finance
- Marketing of products
- Any other problems

21. Your view and suggestions as to how to revitalize your unit. Please be specific while making your suggestions for rehabilitation. Please also enclose a copy of the rehabilitation proposal.
22. Any other points relating to sickness & revitalization

Place :

Date :

Signature

Note: 1. Application will not be entertained if any column is left blank.
2. Balance sheet of last three years must be submitted along with application.

BIHAR INDUSTRIAL INCENTIVE POLICY- 2011

Subject : Bihar Industrial Incentive Policy-2011 for accelerated Industrial Development of the State.

In view of the rapid changes in the Global Industrial Scenario, Bihar Industrial Incentive Policy- 2006 has been reviewed with an objective to attract domestic and foreign investment as well as revival and expansion of business operations of the existing industrial units by providing the right industrial ambience. After reviewing the same, it was felt that in view of the present scenario, it is imperative that a new industrial incentive policy be prepared so as to promote balanced industrial development and enable industries to contribute towards the social and economic development of the State.

In the above background, a new Industrial Incentive Policy -2011 has been prepared based on the suggestions and consultations with the main Industry Associations such as- Bihar Industries Association, Bihar Chamber of Commerce, Confederation of Indian Industry, Bihar, Laghu Udyog Bharti, Hazipur Udyog Sangh etc. and other related organizations and concerned Government Departments. The industrial policies of different neighboring States have also been considered in formulation of this policy.

Under this proposed policy, there are provisions for granting incentives such as, 100% Exemption from Stamp Duty and Registration Fees during the pre-production phase, Capital Subsidy for industrial units, inclusion of Entry- Tax in the re-imbursement of 80% of VAT, incentive also to existing units for Captive Power Generation / Diesel Generating sets and subsidy on non-conventional sources of energy production, re-imbursement of expenses incurred on project reports, technical know-how fees, Quality Certification, Electricity Duty etc.

With the implementation of Industrial Incentive Policy- 2011, it is expected that the development of the State will get a boost and it will result in rapid industrial development with enhanced employment generation. The industries of Bihar would be able to play a positive role in the overall development of all the citizens of Bihar.

STRATEGY

- (i) In order to establish industries in the state, development of international level of basic infrastructure is necessary so as to attract more and more domestic and foreign investment.
- (ii) Land Bank – Land plays a vital role in the establishment of industry. Action would be taken for establishment of Land Bank in view of the requirement of land for industries and for other development projects. As per the requirements of different industries and development scheme, land would be made available from the land bank.
- (iii) Creation of marketing potential for sales of the products of Small, Micro, Rural units, Handicrafts, Handloom, Khadi, Sericulture etc in order to ensure their development.
- (iv) In order to prevent industrial sickness, timely identification of the reasons for sickness and appropriate actions are to be undertaken. In order to prevent such sickness as far as possible, District level monitoring system needs to be developed and strengthened.
- (v) Setting up of effective single window system, availability of project along with creation of necessary basic infrastructure such as roads, water and un-interrupted power supply.
- (vi) Simplification and transparency in all kinds of allotments, grants and entrepreneurs related procedures and provision of online services as much as possible.
- (vii) Provision of Common Effluent Treatment in industrial areas/Estates.
- (viii) Establishment of industrial parks by BIADA for setting up of new medium and large industries in rural and urban areas.
- (ix) The following would be Thrust Areas of the State Government:
 - 1. Food Processing
 - 2. Agriculture based Industries
 - 3. Tourism related Industries
 - 4. Super Speciality Hospital

5. Higher / Technical Educational Institutions
6. Information Technology based Industries
7. Electronic Hardware Industry
8. Textile Industry
9. Energy / Non-Conventional Energy

Incentives to be provided to industrial units of the state to speed up industrial growth and investment in Bihar.

1. Pre-Production Incentives

Stamp Duty and Registration Fees

- a. 100% exemption from Stamp Duty / Registration Fees being levied on Lease/ Sale / Transfer of Industrial Land/Shed as also there outside the jurisdiction of Industrial Area Development Authority for new Micro, Small, Medium (MSME) and Large sector industries.

This exemption from Stamp Duty and Registration Fees facility will be granted only for the first time and will not be applicable in subsequent stages of Lease / Sale / Transfer. This incentive will be available to new units only.

- b. Such existing Industrial Units which have undertaken expansion or diversification thereby leading to an increase of 50% in their production capacity, will also be entitled for the above incentive, only on to the extent of additional land required for Expansion.
- c. If, for any reason, the above incentive is not availed by the unit and the land is purchased, the above Stamp Duty and Registration Fees will be reimbursed by the department to such units at the post production stage.

2. The following incentives would be given to Industrial Units after commencement of Commercial Production under the New Industrial Incentive Policy.

(i) Post-Production Incentives

Under the present policy, incentives like Project Report Incentive, Incentives on land / shed, financial assistance for acquiring Technical Know-How, Capital Subsidy etc. will be available. The upper limit for such reimbursement

will be Rs. 600 lacs (Six hundred lacs). This will be excluding the subsidy on Captive Power Generation / Diesel Generating set. The Incentives specified under Para 2 are as under:-

(ii) Project Report Incentive

Re-imbursement of 50% of the cost, subject to a maximum of Rs. two lacs, incurred in the project report preparation by the industrial units will be made. Provided that, the project report is prepared by the consultancy firms recognized by the Industry Department. If the project report has been prepared for Carbon Credit and the unit gets Carbon Credit, 50% of the consultancy charges, subject to a maximum of Rs. 15 lacs, will be reimbursed.

(iii) Incentives on Land / Shed

The following incentives / subsidy will be available to all eligible units for the investment on land/shed located in the Industrial Area Development Authority/ Export Promotion Industrial Park/ Food Park/ Agri Export Zone and also investment on Land/Shed allotted in Industrial Area/ Park developed on Government land or on private land.

Sl.No.	Industry	Grant
1.	Micro / Small units	50% with a ceiling of Rs. 15 lacs
2.	All large / Medium / Mega units	25% with a ceiling of Rs.30 lacs

(iv) Financial Assistance for Technical-Know-How:

If any entrepreneur acquires Technical Know-how from any recognized National Level Institution or State Level Institutions to establish or to expand his industry, he/she will be reimbursed 30% (maximum Rs. 15.00 lacs) of the fees paid to the institution/organization for the technical know-how.

(v) Incentive / subsidy on investment on Plant & Machinery purchased for Captive Power Generation / DG set

- a. 50% (Fifty percent) of the amount spent on plant and machinery in the establishment of Captive Power Generation/Diesel Generating set will be reimbursed to the industry. No ceiling has been fixed for this.

- b. Existing units would also be entitled for grants on the amount spent on plant and machinery in the establishment of Captive Power Generation/Diesel Generating as per the above Para V(a), if such Captive Power Generation/ Diesel Generation set is established after the Industrial Incentive Policy- 2011 comes in force.
- c. This grant would also be given to SPVs constituted for the purpose of captive power generation, subject to the condition that the said SPV should be situated in industrial area or constituted for serving groups of industries and majority members of that SPV should belong to the Industrial group and that such SPV will provide electricity so generated to the Industrial Area / Group located in the Industrial Area where it has been established.
- d. In case of energy produced through non-conventional sources, 60% of the expenditure on plant and machinery will be payable as subsidy. No ceiling has been fixed for availing this incentive. This facility will also be available to existing units.

(vi) Exemption from Monthly Minimum Charges/ Minimum Base Energy charge/Demand/Billing Demand

The existing operational units and new units would be granted exemption from Monthly Minimum Charges/Minimum Base Energy Charge/ Demand/ Billing Demand or such charge being levied in any other name in the tariff order of BERC with the effective date of the new Industrial Policy. This facility will be available for five years.

(vii) Capital Subsidy

- a. New MSME industrial units will be granted 20% capital subsidy on the amount spent on plant and machinery subject to a maximum of Rs. 75 lacs (seventy five lacs).

- b. New large industrial units will be granted 20% capital subsidy on the amount spent on plant and machinery subject to a maximum of Rs. 500 lacs (five hundred lacs).
- c. Above Capital Subsidy will be available to such industries which will come into commercial production after the effective date of this policy and the capital subsidy will be available only on the capital investment made on Plant & Machinery by such industries. This facility will be available only after the commercial production of the industrial unit.
- d. Since food processing sector units are already entitled for capital subsidy under food processing policy, therefore such units will not be entitled for above capital subsidy under this policy.

(viii) Incentive on Quality Certification

75% of expenditure incurred in obtaining certificate of I.S.O. standard (or equivalent) from reputed national/international level organizations, would be reimbursed by the State Government to small industrial units to improve the quality of products.

(ix) Ceiling will be fixed, on the fees payable in the case of registration of Mortgage documents, when this is being registered for the first time. The Department of Excise and Prohibition will issue separate notification in this regard.

3. Tax Related Incentives

(i) Re-Imbursement of VAT and Entry-Tax

- a. This facility will be available to new MSME/ Large Industries. The eligible industrial units will be issued a passbook (paper / electronic) by the State Government in which the details of the Bihar VAT paid to Finance (Commercial Taxes Department) would be entered. The General Manager, District Industries Centre/ Managing Director BIADA (whichever is applicable) will issue the passbook to eligible Industrial Units and will verify that the unit under consideration is in production and the unit has deposited the

amount of VAT. On the basis of such certificate, that the unit is in production, the Finance (Commercial Taxes) Department will reimburse the amount of VAT after certification/verification of the payment of VAT.

- b. All new units will be entitled to avail 80% reimbursement against the admitted VAT amount deposited in the account of the Government, for a period of ten years. The ceiling for this reimbursement will be 300% of the capital Invested.

But new industrial units of Brewery and Distillery will be reimbursed a maximum of only 25% of the paid VAT, which will be applicable for 10 years and the ceiling for this reimbursement will be 300% of the capital invested.

Clarification: This incentive would not be payable on the amounts imposed as penalty and the difference of amount between tax assessed and accepted under the Central Sales Tax Act, 1993 /Bihar Finance Act, 1981.

Entry-Tax

- i. In the event of adjustment of Entry- Tax against the output tax, the amount paid as Entry Tax by new Industrial units after commencement of commercial production, will be included in the amount of 80% VAT for the purpose of reimbursement. This incentive will also be available to operational existing units and all such units will get this incentive only after the effective date of this Policy. If any decision of exemption in Entry- Tax is taken separately, the concerned notification will be issued by Finance (Commercial Taxes) Department from time to time.
- ii. **Following incentive will be provided to the new industrial units after the commercial production**
- 100% exemption in luxury tax for seven years
 - 100% Re-imbursement of electricity duty for seven years
 - 100% exemption in land conversion charge

iii. **Re-Imbursement of VAT/Entry-Tax for the unit in operation**

Presently working industrial units will get re-imbursement of 25% of the VAT/Entry- tax deposited in the account of Government against admitted VAT. This re-imbursement will be valid for only five continuous years. In case of expansion by the working units, the said industrial units will also get re-imbursement benefit on VAT/Entry- tax on the expanded portion only. This incentive will be available to existing operational sugar mills provided this type of incentive is not available to them under Sugarcane Incentive Policy.

Central Sales-Tax

MSME industries registered by competent authority will pay only 1% CST on their item of production.

NOTE : After the implementation of GST system, the above incentive will be payable under that arrangement.

4. **Other special incentives**

i. **Industrial Rehabilitation Fund (Corpus Fund)**

In order to revive the sick industry, a corpus fund will be created with the co-operation of the Commercial Banks, the State Government, Industry Associations and others. This corpus fund will be utilized for providing financial assistance in least possible time to sick small and medium industrial units for which the rehabilitation package has been approved.

ii. **S.C / S.T / Women / Handicapped**

- Entrepreneurs under above categories will avail 5% additional grant/exemption/subsidy than the limit fixed under this policy.
- Up to a limit of Rs.30 lakhs as income from sales per annum (as per balance sheet), S.C / S.T. / Women /Handicapped category entrepreneurs who set-up small and tiny industries will avail 100% reimbursement of the deposited amount in the account of Government in

the form of VAT for a period of ten years. This incentive will be available to only such establishment which are fully owned by SC/ST/Women/Handicapped entrepreneurs.

- iii. Employment (Subsidy on employment generation): Any industrial unit, generating direct employment of at least 100 persons after the implementation of this industrial policy, will be paid an incentive by the State Government, the amount of which will be equivalent to the EPF amount paid by such units for new employees for a period of one year from the date of their employment.
- iv. Facilities For Expansion/ Diversification/ Modernization of unit : Any such existing units, expanding its capacity/diversifying/modernizing will be given the benefits applicable to new units mentioned in per para 2 & para 3 in the policy, on their incremental production.
- v. Apart from the incentives envisaged under this Policy, State Govt. will provide additional incentive, to give priority and to attract large capital investment proposals of more than Rs. 500 crores. Such units will get capital subsidy incentive of 20% as described in Para 2 (vii) (b) but the ceiling of the capital subsidy would be Rs. 30 crores in place of Rs.5 crores.

5. Industrial Sickness

Rehabilitation of Sick Units

Industrial sickness is a part of the process of industrialization. It leads to unemployment, blockage of capital, loss of state revenue and non-utilization of assets. Hence it is necessary to take proper steps in order to rehabilitate the sick industries. State Government is anxious about this and would take the following steps to check the sickness and to revive sick industries. Besides, steps will be taken for rehabilitation of such sick units, which have become sick due to natural calamities.

Micro, small and medium (MSME) sector:

- i. **State Level Committee:** All decisions for the rehabilitation of micro, small and medium industries will be taken by the State Level Committee (Apex Body) constituted under the chairmanship of Director of Industries.

- ii. The State Level Apex Body would be empowered with necessary statutory powers in order to rehabilitate the sick industry. This Committee will select an agency for preparing rehabilitation package which will enable effective implementation.
- iii. The guidelines of the Reserve Bank of India / SIDBI would be relied upon to identify sickness in micro, small and medium units and provide assistance in selecting the agency for preparation of rehabilitation package, so that above mentioned rehabilitation package is approved.
- iv. The sick industries being revived will not require sickness certificate on an annual basis, instead the revival package shall specify the period of revival of sick units.
- v. The industry declared sick by the State Level Committee would be eligible to receive relief and concessions from banks and financial institution as per guidelines of RBI. These reliefs and concessions and will be considered within a fixed time frame.
- vi. After the identification of sickness, rehabilitation package would be prepared within 3 months and the state level institutions would monitor the rehabilitation process of sick industries.
- vii. Those sick units which have availed the benefits of any Industrial Policy in the may avail the facilities under this policy even a second time If any sick unit wants to avail the benefits under the Industrial Policy for the second time it will avail only the difference between the prior availed amount and the proposed amount under new policy. But this facility for rehabilitation to the unit will be made available only on the recommendation of the concerned committee constituted by the State Government. Such facility to the unit can be made available a maximum of two times only.
- viii. The date mentioned in the rehabilitation package will be considered as the cut-off date to determine the facilities.

Sickness in Large Industries

- i. A committee would be constituted under the chairmanship of Secretary Industry to explore the possibility and to determine remedies for the revival of large scale

industries and Public Sector Undertakings (PSUS) which are sick and not referred to the BIFR and have a potential for revival. The committee will recommend required reliefs and concessions necessary for rehabilitation, while considering the policy statement. The recommendations will be placed for final approval before the State Level High Powered Committee existing under the Chairmanship of the Chief Secretary.

- ii. The rehabilitation package envisaged by BIFR or any statutory body constituted for this purpose such as BICICO/ BSFC / State Level Inter Institutional Committee of Bank shall be placed before the committee under the chairmanship of the Secretary, Industry for consideration of selected relief and concessions and the same will be placed for Government recommendation through existing State Level High Powered Committee under the chairmanship of the Chief Secretary.
- iii. Sick Industry means such industry, which has been registered by the Board for Industrial and Financial Reconstruction (BIFR). However, the relief and concession to the unit will be provided from the cut-off date mentioned in the Draft Rehabilitation Scheme (DRS) circulated by BIFR.
- iv. Those sick units which have availed the benefits of any Industrial Policy in the past may avail the facilities under this policy even a second time. If any sick unit wants to avail the benefits under the Industrial Policy for the second time it will avail only the difference between the prior availed amount and the proposed amount under new policy. But this facility for rehabilitation to the unit will be made available only on the recommendation of the concerned committee constituted by the State Government. Such facility to the unit can be made available a maximum of two times only.

6. Separate incentive policies will be issued by the concerned departments for providing incentives other than the incentives envisaged in this Policy for the industries of thrust area as in Para 9 of this Policy.

BIADA will give preference in allotment of land to all the industries specified in the thrust area.

In order to encourage the industries specified in the Thrust Area, special provisions in 'Udyog Mitra' will be made for technical advice and preparation of Project Reports.

7. Special scheme will be formulated to develop Handloom & Power loom Sector, under which grant in electricity tariff, modern looms and its related machineries, development of clusters (provision of land for work shed if necessary), integrated textile park, urban haat and processing units etc. would be developed.

Loan / Waiver of interest / subsidy scheme will be further expanded for Power loom and Handloom weavers.

8. Separate orders will be issued for simplification of departmental procedures and for fixing time frame for allotment of land and other facilities under this policy.

9. Any unit, new or existing, will be able to avail incentives under the Industrial Incentive Policy-2011 only when the unit has not availed such incentives under any other Government Policy. The units at the time of availing these incentives will have to submit a declaration to this effect.

10. **Implementation of the reservation policy:** Those units, which comply with the Reservation Policy of the Govt. in employment, will be given an additional 10% over and above the fiscal incentives for which they are eligible under this Policy. This facility will be in addition to the maximum limit of Rs. 600 lacs as specified in Para 2 (i).

11. **Monitoring and review:** All concerned departments and organizations would issue necessary matching notification within a month to give effect to the provisions of this Policy. This will be duly monitored by Government so that the State Government may carry out a mid - term review of this Policy.

12. **The incentives / subsidies / relief's** outlined in this policy shall be available to only such new industrial units which commence commercial production within five years from 1st July, 2011.

13. Industries mentioned in the negative list in Annexure - II would not be eligible for any incentive / subsidy.

14. In order to clarify or explain any provisions contained in this Policy and for providing solutions, a committee would be constituted under the Chairmanship of Principal Secretary, Industries with the Director of Industries, Director Technical Development, a representative each of the Commercial Taxes Department, and Bihar State Electricity Board (wherever necessary) as well as the concerned M.D of the Industrial Area Development Authority as its Members.

15. The definitions given in the Annexure-I to this policy shall be treated as part of this policy.

16. This Policy will come into effect from 1st July 2011 and will remain in operation till 5 years.

NOTE: This English version of the **Industrial Incentive Policy-2011** is mere translation of the Hindi version of **Audyogik Protsahan Niti, Bihar- 2011** issued vide sankalp 691, dated 09.06.2011. If any, controversies regarding the meaning and interpretation of any word / statement, the Hindi version of the policy will prevail.

ANNEXURE-I

(Definitions)

1. **Effective date:** "Effective date" means the date on which the provisions of this Policy come into force i.e. 1st July, 2011 This Policy will remain in force for 5 years from 1st July, 2011.
2. **Industrial Unit/Industrial Establishment:** 'Industrial unit / Industrial establishment means any unit / establishment engaged or to be engaged in manufacturing / processing / servicing industry under the following categories:
 - a. Industries listed under the First Schedule of the Industries (Development and Regulation) Act 1951 as amended from time to time.
 - b. Industries falling within the purview of the following Boards / Agencies:
 1. Small Industries Board
 2. Coir Board
 3. Silk Board
 4. All India Handloom and Handicraft Board.
 5. Khadi and Village Industries Commission.
 6. Any other agency constituted by the Government of India or Government of Bihar for industrial development.
 - c. **Other categories:**
 1. Mining or development of mines
 2. The maintenance, repair, inspection or servicing of any type of machinery of any description or vehicles or vessels or motorboats or trailers or tractors.
 3. The setting up or development of an Industrial Area, Industrial Estate, Integrated Infrastructure Development, Export Promotion Industrial Park, Export Promotion Zone or Growth Centre.
 4. Providing special or technical knowledge or other services for the promotion of industrial growth.
 5. Providing Engineering, Technical, Financial, Managerial, Marketing or other services or facilities for industry.

6. Providing services relating to Information Technology, Telecommunication or electronics including satellite linkage and audio or visual cable communication.
 7. Tourism.
-
3. **Existing Industrial Unit:**
"Existing Industrial Unit" means an industrial unit which is in commercial production.
 4. **New Industrial Unit:**
"New Industrial Unit" means an industrial unit in which commercial production has commenced within five years from 1st July, 2011.
 5. **Sick Unit:**
"Sick unit" means an industrial unit declared sick by the Board for Industrial and Financial Reconstruction under the Sick Industries Companies (Special Provision) Act, 1985 or by the State Apex Committee for small and medium industries headed by the Director of Industries or the High Level Empowered Committee headed by the Chief Secretary for large sector.
 6. **Fixed Capital Investment:**
The 'Fixed capital investment' means an investment made in land, building, plant and machinery as well as productive assets of permanent nature.
 7. **Expansion/Modernization/Diversification:**
"Expansion/Modernization/ Diversification of an existing unit' would mean additional fixed capital investment in plant and machinery to the extent of 50% or more of the undepreciated value of fixed capital investment in the existing unit leading to incremental production capacity which would not be less than 50% of the initial installed capacity. In order to qualify a unit undertaking expansion/modernization/diversification should send prior intimation to the General Manager, District Industries Centers or the Managing Director, Bihar Industrial Area Development Authority as the case may be in respect of Small/Medium Industry and Director of Industries/Director, Technical Development in case of large industries before undertaking such expansion/modernization/diversification Programme. Such

intimation should be accompanied by detailed expansion / modernization / diversification proposal giving the specific period of proposed additional investment.

8. Micro/Small/Medium/Large and ancillary industrial units

These are such industrial units which have been defined by the Government of India fixing investment limits from time to time.

9. Date of Production:

The "Date of Production" of an industrial unit shall mean the date on which the unit actually commences commercial production of the item for which the unit has been registered.

As regards the date of production of Small and Medium units, the certificate issued by the respective General Manager, District Industries Centre or Managing Director, Industrial Area Development Authority would be valid. For large industries, the certificate issued by Director Technical Development will be acceptable. In case of any dispute regarding the date of production, the decision of the Industries Secretary shall be final.

10. Option to Industrial Units

Such industrial units which have not commenced commercial production on the effective date of this policy, but have made 50% capital investment will have the option for incentives either under the Industrial Incentive Policy -2006 or Industrial Incentive Policy -2011. They will not be eligible for part incentive under both the policies. Such units will have to submit their written option to Director of Industries within 3 months from the effective date of this new policy.

ANNEXURE-II

List of Industries Not Eligible For Incentives:

1. Rice Huller
2. Flour Mills (Including Besan, Dal & Chura Mills) of less than 50 TPD Capacity.
3. Masala & Papad etc. production
4. Confectionery (Excluding Mechanised Confectionery)
5. Preparation of Sweetmeat & Salted Snacks.(Excluding mechanized large/medium units producing namkeens)
6. Bread Manufacturing (Except Mechanized Bakery)
7. Production of Ice Candy and Ice Fruits.
8. Manufacturing and Processing of Betel Nut.
9. Fireworks and Crackers Units
10. Coal / Coke Screening
11. Firewood and Charcoal Manufacture
12. Painting and Spray Painting Units
13. Physical Mixing of fertilisers.
14. Brick Manufacturing Units (Except mechanised Units Engaged in Manufacturing Refractory Bricks and Bricks from Fly Ash, Red Earth, Raw Industrial Waste Material).
15. Manufacture of Tarpaulins Made of Canvas
16. Saw Mills
17. Carpentry
18. Drilling Rings, Bore Well and Tube Well Establishing Units.
19. Tea Blending/Mixing Units.
20. Units Connected with Cutting of Raw Tobacco, chewing material producing unit with the help of Powder Gur & Guraku making units.
21. Bottling and Repackaging of Drugs/Pharmaceuticals/Chemicals without Processing and value addition (Excluding formulation and manufacturing units)
22. Note book and envelop manufacturing
23. Photo Copying
24. Distilled Water Manufacturing Units.

25. Tailoring (Excluding Readymade Garment Manufacturing Units)
26. Sewing of Woven Bags with Woven Cloth and their Repacking.
27. Laundry/Dry Cleaning.
28. Photography Studio and Labs.
29. Clinical/Pathological Laboratories/Clinics
30. Beauty Parlours.
31. Video Parlours
32. Goods Transport.
33. Video/Audio Cassette Recording/Watch Repairing / Vehicle Repairing and Service Stations.
34. Lime Kilns.
35. Petrol Pumps.
36. Intoxicating Substance and Intoxicating Drinks (excluding Breweries and Distilleries)

Note: The State Government shall have the right to make any changes time to time in the above list or to decide whether a unit falls under this list or not.

DISTRICT-WISE LIST OF LARGE MEDIUM SCALE INDUSTRIES IN BIHAR

District Muzaffarpur

- | | | |

LIST OF PROSPECTIVE INDUSTRIES FOR THE STATE OF BIHAR

Keeping in view the available resources and demand pattern in the State, a list of prospective industries for the state of Bihar has been prepared. The list has been presented below which will act as a guide to the entrepreneurs and provide information needed at the preliminary stage of product selection and project conceptualization. The detailed model schemes related to these items are available in the library of MSME-DI, Patna and Muzaffarpur. These are many more items having good scope in the State of Bihar. As such, it is suggested that prospective entrepreneurs may contact the respective MSEM-DIs of their region for proper guidance and suggestions.

Sl. No.	Name of the Industry	Investment on Plant & Machinery (Rs. in lakh)	Employment (Nos.)
Resources Based Industries			
A. Agro Based Industries			
1.	Modern Rice Mill	25.00	30
2.	Activated Carbon	55.00	40
3.	Imported Flour Mill	30.00	25
4.	Straw Board	28.00	20
5.	Non Edible Oil	42.00	45
6.	Achar, Chutney, Morabha	0.70	4
7.	Ground Spices	0.50	4
8.	Jam Jelly	3.00	30
9.	Canned Fruit & Vegetable	4.00	32
10.	Potato Products	7.00	28
11.	Tomato Products	4.50	20
12.	Green Vegetable Products	5.00	25
13.	Gulab Jamun, Jalebi & Mixture Product	4.50	25
14.	Biscuits	5.25	32
15.	Production of Vinegar	2.25	5
16.	Dal Mill	1.20	02

B. Livestock Industries		
1.	Bone Mill	15.00 20
2.	Dressed Chicken production	4.00 15
3.	Sausage production (Meat Fish/Chicken	3.00 5
4.	Vegetable Leather Training	27.00 15
5.	Chrome Leather Training	31.00 15
C. Forest Based Industries.		
1.	Wooden Building Materials	6.50 5
2.	Wooden Electrical Appliances	0.45 4
3.	Modern Furniture	3.00 10
4.	Boats	1.00 5
5.	Timber Seasoning	20.00 20
6.	Leaf Plate	0.45 4
7.	Ayurvedic Medicine	0.50 3
8.	Wooden Sawing	3.00 6
D. Fisheries Based Industries		
1.	Fish Meal	4.00 10
2.	Fish Canning	2.25 12
3.	Fish Pickle	2.25 7
E. Mineral Based Industries		
1.	Bricks	20.00 60
2.	Crockerries	10.00 25
3.	Stone Carving	0.50 4
4.	Stone Dust Processing	5.00 25
5.	Stone Chips	12.00 10
6.	Granite Slab	15.00 30
7.	Refractories	32.50 30
8.	Hydrated Line	7.50 23

14.	Hard Coke	19.50	25
15.	Coal Briquettes	2.20	6

Demand Based Industries

A. Mechanical			
1.	Pressure Stove	1.25	4
2.	Room Cooler	1.00	4
3.	Ceiling Fan	3.00	3
4.	Voltage Stabilizer	1.00	5
5.	Washing Machine	1.50	4
6.	T. V. Antena	0.50	3
7.	Steel Fabrication	1.00	4
8.	Steel Fabrication	1.50	5
9.	Chaff Cutter Blade	3.00	6
10.	Readymade Garments	0.50	4
11.	Cycle Stand Carrier, Chain Cover	1.50	10
12.	G. I. Pipe Fittings	4.00	10
13.	Tooth Brush	0.75	4
14.	Card Board Boxes	2.00	6
15.	Umbrella Assembling	0.70	3
16.	Ganji and Janghia	4.00	8
17.	Auto Leaf Springs	4.75	19
18.	Automatic Lamp	3.50	22
19.	Decorative Fittings for Motor Vehicle	2.25	111
20.	Band Saw Blades	0.80	20

21.	Balance	0.85	7
22.	Diesel Engine (upto 15 HP)	0.88	8
23.	Dyeing Equipments	0.41	9
24.	Gas Lighter (Mechanical)	1.32	13
25.	Hair Pins	0.09	8
26.	Hydraulic Jack	9.13	19
27.	Nail Cutter	2.28	15
28.	Water Cooler	2.60	13
29.	Turck, Bus Body Building	1.00	10

B. Metallurgical

1.	Gas Welding Rod	0.50	3
2.	Iron Foundry	3.00	6
3.	Aluminum Utensils	3.50	10
4.	Aluminum Builders Hardware	3.00	10
5.	Non-Ferrouns Foundry	2.50	9

C. Chemical

1.	Paint & Varnish	5.00	8
2.	Gold Cream	0.65	4
3.	Liquid Soap	0.75	4
4.	Scented Oil	0.25	2
5.	Detergent Powder	1.50	8
6.	Storage Battery	1.00	5
7.	Tire Retreading	20.00	12
8.	Cleaning Powder	0.50	3
9.	Latex Foam	10.00	12
10.	Distilled Water	0.50	4
11.	Polythene Film & Bag	18.00	10
12.	Soft Drink in Pouch	0.50	4
13.	Cattle Feed Mix	4.00	30

14.	Dry Cell Battery	0.74	13
15.	Disposable Syringe	50.80	10

D. Plastic

1.	Plastic Newar		
2.	Plastic Ropes	0.50	3
3.	Plastic Container	7.50	8
4.	Plastic PVC Pipe	4.25	6
5.	Plastic Cups & Plates	3.50	5

E. Electrical

1.	Battery Eliminator	0.50	3
2.	Emergency Light	0.50	4
3.	Call Bell	0.50	3
4.	Electric Mosquito Repeller	0.50	3
5.	Insulating tape	1.00	5
6.	Tube Light Fittings	0.50	4
7.	Auto Light Fittings	0.94	10
8.	Back Light Electrical Appliances	0.60	12
9.	Electric Horn (Auto)	2.94	30
10.	Electric Iron	1.45	15
11.	Exhaust Fan	0.60	10
12.	Video Cassette (Blank)	9.41	11
13.	Audio Cassette (Blank)	2.93	16

F. Glass & Ceramics

1.	Flooring Tiles	6.00	10
2.	Scented Lime	0.40	3
3.	Mirror	0.50	3
4.	Chalk Crayon	0.35	2
5.	Sanitary Ware	50.00	50
6.	Asbestos Pipe Fittings	10.00	18

G. Leather

1.	Leather Shoes & Chappals	1.50	5
2.	Leather Hand Bag & Purses	1.50	4
3.	Leather Bucket & Washer	3.20	12

H. Repairing and Services

1.	Screen Printing and Stickers	1.20	3
2.	Repairing of Dynamo	0.50	3
3.	Tire, Tube Valcanising	0.60	4
4.	Electroplating	0.50	3
5.	Motor Rewinding	0.50	3
6.	Typewriter Repairing	0.40	2
7.	Duplicating Machine Repairing	0.40	2
8.	Room Cooler Repairing	0.50	3
9.	Pressure Cooker Repairing	0.35	2
10.	Heat Treatment Servicing Unit	0.78	10

Quick result of 4th All India Census of SSI – 2010-11(Bihar)

No. of registered MSME Units	
No. of unregistered MSME units	71435
No. of working units	950071
No. of closed units	52188 (73.06%)
No. of non traceable units	15136 (21.19%)
No. of registered unit in manufacturing sector	4111 (5.75%)
No. of registered unit in service sector	36143
No. of person employed in registered MSME Sector	16045
No. of person employed in unregistered MSME Sector	162357
Total person employed in MSME Sector	1477621
No. of Rural enterprises	1639978
Registered	23869
Unregistered	639905
No. of enterprises managed by women	2190
No. of women enterprises	2691

List of Industrial Potential Survey Report prepared by MSME-DI, Patna

Year	Name of District	Year	Name of District
1989-90	Aurangabad	2000-01	Godda
1990-91	Nalanda		Deoghar
	Dumka		Gaya
1991-92	Rohtas		Lakhisarai
