Minuets of 13\textsuperscript{th} Meeting of National Board for Micro, Small and Medium Enterprises (NBMSME) held on 18.01.2016 at Vigyan Bhawan, New Delhi.

13\textsuperscript{th} Meeting of National Board for Micro, Small and Medium Enterprises (NBMSME) was held under the Chairmanship of Shri Kalraj Mishra, Hon’ble Minister MSME on 18.01.2016 at Vigyan Bhawan, New Delhi. List of participants is appended (Annex-A).

2. The meeting started with a welcome note from Secretary (MSME) who also added that the Startups are getting disadvantaged due to the pre-condition of minimum experience and turnover set by the PSUs under the Public Procurement Policy. Taking note of Hon’ble Prime Minister’s recent launch of “Startup Action Plan” he also stressed the need for extending handholding support to the Startups under the schemes like the proposed “Laghu Udyog Bandhu Scheme” of Ministry of MSME through DICs, MSME-DIs and the Industry Associations.

3. Laghu Udyog Samachar issue of January, 2016 was launch on the occasion by the Hon’ble Minister MSME.

4. The Hon’ble Minister of State (MSME), the Vice Chairman of the MSME Board, in his opening remarks greeted the distinguished guests and expressed optimism that the MSME sector shall lead to a large extent Hon’ble Prime Minister’s ‘Make in India’ drive. He expressed happiness over the use of Information Technology (IT) in the MSME Ministry citing example of the launching of Employment Exchange portal and filing of online Udyog Aadhaar Memorandum (UAM) by new and existing MSME units. He urged RBI & SIDBI to be vigilant and to issue necessary instructions to the financial institutions to redress the problems faced by individual units while dealing with PMEGP, CGT MSE, MUDRA Yojana, ASPIRE, SMILE and other MSME Schemes. He also expressed happiness over the functioning of NSIC and the Tool Rooms/ Technological Centres based on their performance in their respective fields.

5. The Hon’ble Minister (MSME) who is the Chairman of the Board welcomed Vice Chairman, Secretary, AS & DC, Members, Special Invitee of the Board and other dignitaries and mentioned that economy is being driven by MSMEs and MSMEs are doing better than
large industries giving fillip to the development of the country. He said that the suggestions which came up in the last Board meeting like the issues of registration of MSMEs and execution of schemes of MSME within the stipulated time have been taken up in earnest. He stressed upon the importance of MSME manufacturing in Prime Minister's vision of 'Make in India'. According to him, manufacturing excellence should be more qualitative and innovative to bring the product in the 'zero effect and zero defect' category. He emphasized that the newly launched "Startup Action Plan" by the Hon'ble Prime Minister on 16.01.2016 is co-related with the Ministry of MSME's line of action redressing the issues of new micro and small enterprises. He also expressed happiness over the upcoming new Scheme 'Standup India' meant for banks financing especially to the SCs/STs and women entrepreneurs. He stressed on the need of a MSME friendly Banking Sector and continued focus on skill development and entrepreneurship. He also stressed upon the importance of cluster development, Public Procurement Policy, Defence Offset Policy, Digital Employment Exchange and revamped SFURTI scheme. He informed the gathering about the new ASPIRE scheme under which business oriented Livelihood Incubation Centres are being established for nurturing innovation at the grassroots level. He specifically emphasized the importance of one page online Udyog Aadhaar Memorandum under which registrations have touched about 1.50 lakh since launch on 18.09.2015 taking ease of doing business into new horizon. He also requested the officers of the MSME to have a database on skilled manpower that had been created by the skill development programmes of the Ministry of MSME.

6. Secretary (MSME) attracted the attention of the members of the Board requesting to voice their confirmation for the minutes of the 12th Board meeting of MSME held on 10.07.2015. The Minutes were confirmed subject to more elaborate examination of the member’s views in the Action Taken Reports (ATR). Then Secretary (MSME) requested all the members and Special Invitees to put forward their views on the agenda items precisely and in a focused manner.

7. Hon’ble Minister of Industry, Govt. of Madhya Pradesh informed that the State has been rated 5th in Ease of Doing Business as per the survey conducted by the World Bank in 2015 wherein out of 85 license/approvals for doing business in the State,
74 have been made online. She commended upon the success of Udyog Aadhaar Memorandum (UAM) and requested to augment it by providing state specific UAM web portal. She suggested that National Institute for Micro, Small and Medium Enterprises (NIMSME) and National Institute for Entrepreneurship and Small Business Development (NIESBUD) may be mandated to help and develop a pre-UAM mechanism in the States showing interest and requested to look into the issue of new UAM system which does not allow multiple product registration. She requested that loans ceiling under PMEGP scheme be revised to Rs.50 lakh and may be covered under CGTMSE. On Public Procurement Policy she requested that while tabulating the bids of State's Micro and Small enterprises the element of VAT be excluded from the rates quoted by the enterprises whereas the element of CST is included in the rates of enterprises from the other States for evaluation purpose. On SFURTI Scheme, she suggested that there must be a provision of hiring expert consultant services at the state level towards professional and time-bound implementation and regular monitoring of the programme and to allow an additional budget of 8-10% of the total project cost to be provided for the said purpose. In the field of MSE-CDP she gave two suggestions on the implementation of the scheme i.e. (i) creating Empowered Committee in States on ASIDE model for clearing projects and (ii) fixing annual allocation to States on the ASIDE pattern. In the field of Defence Offset Policy, she requested MSME Ministry to proactively capture the offset of defence procurement for the MSME units to ensure level playing field.

8. Hon’ble Minister of Industry, Govt. of Odisha pointed out that Odisha is a mineral and forest rich State and in recent days it has emerged as an educational hub in the country and hence there is a huge scope of establishment of technological business Incubator Centres in the state. He requested to convert Institute of Entrepreneurship Development, Odisha (IEDO) into National Institute for Entrepreneurship & Management Development (NIEMD) at Bhubaneshwar, the proposal of which has already been submitted to the Govt. of India. He also requested for establishment of an Intellectual
Property Facilitation Cell (IPFC) in Odisha. Under the MSE-CDP scheme he requested for approval of DSR for Pahal Rasogolla Cluster. He also requested for delegation of power to State Govt. for approval of DSR and establishment of CFCs with project cost of Rs.5 crore by having a State Level Steering Committee under the chairmanship of Secretary (MSME) for approval and monitoring of the projects. He requested implementation of schemes of NMCP through State Government bodies like DICs/IED/Odisha small Industries Corporations Ltd. The Hon’ble Minister requested for the modernization of DICs along with capacity building of the officials to enable single window clearance. He also requested for support for the development of infrastructure like mini industrial estates with plug and play facilities to attract rural youth into the MSME sector. For better implementation of the PMEGP scheme he requested that State Directorate of Industries be designated as Nodal Agency in the absence of adequate manpower and limited access at the district level in the KVIC state office.

9. Hon’ble Minister of MSME -in Charge, Manipur highlighted the popularization of Make in Manipur initiatives in line with the Hon’ble Prime Minister’s vision of Make in India. He also thanked the Ministry of MSME for the approval of various scheme-related activities in the State especially in the field of MSE-CDP scheme and ASPIRE scheme of Govt. of India.

10. Shri Rahul Kaswan, Hon’ble Member of Parliament (LS) expressed concern about the improper implementation of PMKVY scheme and also about the lack of coordination between various MSME offices/ agencies meant for development of MSMEs and their activities in the state of Rajasthan. He emphasized the need for a database under the MUDRA scheme so that a real picture of the scheme could be assessed in a proper manner and further input could be provided. He also expressed concern for the easy availability of finance to the MSMEs and especially for the upcoming enterprises.

11. The Chairman & MD, SIDBI while explaining the likely system of financial inclusion to be developed in the coming days, said that the financial institutions are going to have common electronic platform by incorporating the various instruments like Aadhar Number, CRISIL/Credit ratings etc. for MSMEs projects wherein the prospective /potential / existing micro, small and medium enterprises can log in through a common application form with the preference of
choices of banks from their side and also if any bank/financial institution wants to finance any projects from their part, they can also approach the entrepreneurs through the same platform. He expressed optimism that once the electronic platform was functional, most of the issues related to MSMEs schemes will be sorted out. He also took note of the issue of non-transaction of business through the banking system because of which the credit-worthiness could not be tracked. He requested the MSMEs to do business through the financial institutions to create a credit record in the absence of which bank does not help much. He also proposed to create MSMEs’ transactional history on the platform for the assessment of their credit-worthiness which would be helpful in their further requirement of financial help.

12. Chief General Manager, Reserve Bank of India informed that many steps had been taken to improve the loan sanction process. She informed that training of officers had been initiated up to the level of Branch Manager on regular basis wherein specialist trainers, industry associations and industries of excellence were invited to discuss how to get better result in extension of the credit facilities under the various financial schemes of the Ministry of MSME. She informed that more than 1000 officers of commercial banks had been provided training and follow up is being done for better output. It is also suggested that DICs should train the entrepreneurs to be able to identify bankable proposals which will help in linking them to the formal banking system. It was desired by the RBI that there is a need to revamp the Rural Self Employment Training Institute (RSETI) by setting up a Central level Trust. Representative of RBI also suggested that there must be a holistic survey of clusters in the country which has not been done since long.

13. President (AIMA) expressed concerns about the problem of delayed payment and requested for the establishment of a Facilitation Centre to oversee timely disposal of delayed payments. He also requested for the establishment of a committee for the private sector for protecting their interest at the Central level.

14. Director General (India SME Forum)’s suggestions related to broad-basing of PMEGP, setting up of flatted industrial & incubation complexes in rural and semi-urban India under PPP model, developing independent rating agencies, organizing Country pavilions at identified International B2B and B2C festivals and hosting of exhibitions by the Ministry along with Associations and Industry
Organisations at the national level, introducing Amnesty Scheme for MSEs’ NPAs and also for constituting a high powered Task force/Committee for the identification of issues, planning, overseeing and executing the MSME Ministry initiatives.

15. President (AWAKE) supported the proposal of Flatted Industrial Complexes and also suggested that there should be a provision of upfront payment for the stall charges under the MDAScheme in place of reimbursement for participation in the international trade fairs. He urged to start a Scheme of soft loan for women entrepreneurs with the financial ceiling of Rs. 1.50 crore for the establishment of Entrepreneurship Development Institutes (EDI).

16. President (CW EI) advised that there is a need to focus on manufacturing hub concept at village level with the establishment of common facility centre at the clusters. He requested to ensure better awareness of the schemes of the Ministry of MSME to be implemented more effectively at the ground level and to develop women entrepreneurs’ database. He also suggested encouraging creating captive power units at the rural level for meeting the need of electricity requirement of the units/cluster.

17. President (APEEJAY) appealed to the Ministry to try for inclusion of MSME related schemes/provision in the school curriculum especially at the 9th and 10th standard and creation of awareness at the appropriate stage in the field of startup and standup India. She also suggested that MSMEs issues being inter-sectoral in nature, it is desirable that there should be a Inter Ministerial High Powered Task Force under the Chairmanship of Prime Minister to resolve the issues. According to her there is also a need to have handholding support for women to be created at all levels so as to create the atmosphere of ease of doing business for them.

18. President (Bhartiya Majdoor Sangh) suggested that there should be wide publicity of the Schemes at the grassroot level and accordingly success stories be published on a priority basis. He suggested that for new micro and small enterprises, the Government should purchase their produce for three to four years as a support measure.

19. Rajnish Goenka, Special Invitee said that tiny sector should be given preference in MSME sector. He added that an insurance scheme for the MSME sector needs to be launched. He
also demanded for generating better awareness by creating a Laghu Udyami Channel and for transparent implementation of the MSME schemes. He also urged to create a MSME University in India.

20. President (TANSTIA) informed about the damages caused to MSMEs (14000 approx.) due to the heavy rainfall and flood in the Chennai area and requested for inclusion under National and State Disaster Fund for relief.

21. President (DICCI) requested for assessing the outcomes of the SCSP and TSP provisions under the Ministry of MSME for the year 2015-16. He also requested to launch Ambedkar Digital Plan especially for the SC/ST MSMEs. Requesting effective implementation of the Public Procurement Policy for MSEs, he stressed upon the need for constituting a Committee.

22. President (ASMKI) requested for a separate tender exclusively for the MSMEs, removal of entry barriers in line with the startup policy and to set up a MSME Committee with representation from all line Ministries of the Government of India having specialized schemes for MSMEs.

23. Chairman & Founder (i-Watch) suggested preparation of a catalogue of 2.5 lakh apprentices in India and also requested for translation of all Central Govt. MSME related website in all the 22 official languages.

24. Dr. Ajay Narang, Special Invitee suggested to create an ‘ease of doing business’ index for the MSME sector in the country. He also requested to register all the unregistered units in the sector and coordinate with all the other Ministries and Departments of Govt. of India and those of the State Governments and UTs for simplification of the procedures related to the establishment, running, diversification, rehabilitation, exit etc.

25. President (KASSIA) pointed out that under the CLCSS scheme the process should be simplified for the beneficiaries and Online system could be developed for overcoming the delays. Furthermore, the ceiling needs to be increased from Rs. 1 crore to Rs. 5 crore. Under the Credit Guarantee scheme he requested to increase the ceiling from Rs. 1 crore to Rs. 3 crore and also CGTMSE corpus be increased to atleast Rs. 10,000 crore to meet the
increasing credit demands of the sector. He also suggested that guarantee cover under CGS must be hiked to 75-80% of the sanctioned limits.

26. Shri Dinesh Rai (Ex- Secretary MSME), Special Invitee, expressed that startup and the existing units need land for establishment as well as expansion of the units and hence State Governments be requested to provide land both in the rural as well as in the urban areas. He also proposed a penalty on land awardees that do not start their venture in time and use the land for non-entrepreneurial activities. Under Public Procurement Policy, he insisted on greater monitoring. He requested for the simplification of the various procedures under the Ministry of MSME & other concerned Departments.

27. Co-Chairman (ASSOCHAM) called for increasing the excise exemption limit from Rs.1.5 cr. to Rs.5 cr., enhancing of service tax limit from Rs. 10 lakh to Rs. 20 lakh, taking cognizance of turnover limits, giving teeth to IFC and the need to promote smaller clusters.

28. President, All India Confederation of Small & Micro Industries Associations (AICOSMIA), requested to get the MSMEs' produce be procured in line with the agro produce procured by the Government. He also proposed for more awareness programmes for the MSMEs through the Industry Associations at the grassroot level.

29. President (FICCI-CMSME) requested that documentation of success stories under the various schemes of the Ministry would be made an Agenda item for the Board meeting. He also requested to consider the UAM equivalent to factory license at least for SMEs operating in approved industrial areas. He advised that startup should be exempted from all compliance for at least 5 years of their operation. He also requested for the enhancement of the ceiling under the PMEGP, CGTMSE and CLCSS schemes.

30. Shishir Kumar Poddar, Special Invitee, desired a Run & Fly India plan for already established units. He requested for allocating a part of the government revenue for support and growth of the MSME. He also suggested for a special incentive package for MSMEs in the deficient industries districts. He also requested for the formation of a Working Group for MSME policy implementation.

31. President (SME Chapter, CII) requested for the reduction in the
exemption limit of custom and excise. He also flagged the issue of delayed payments.

32. Vice-Chairman, Federation of Industry & Commerce of North Eastern Region (FINER), demanded for the proper monitoring of the Public Procurement Policy to be implemented in the NE region. He also requested for the strict enforcement of the MSMED Act, 2006 in the NER areas in cases relating to the delayed payment. He also suggested constituting a new task force in line with PM Task Force on MSME for NER. He also requested for revocation of suspension of NEIIP Policy for betterment of MSMEs and called for an Amnesty Scheme for the MSMEs with NPAs.

33. Swati Sharma, Special Invitee, stressed on the establishment of home based enterprises on the basis of a door to door survey of skills available for the prospective and potential entrepreneurs.

34. Chairman (PHDCCI) while explaining the issue of SEZ and startups showed his concern towards an element of MAT and requested for the enhancement of ceiling of exemption from the income tax for the MSMEs.

35. President (TMI GROUP) suggested that there is a need for wage skill incentive for MSMEs for a limited period of time.

36. Anil Gupta, Special Invitee, requested that UAM should incorporate all the information required to be registered in all the departments at one instance to avoid further complications. He also suggested that all leasehold land be converted to freehold. He also said that for labour benefits to be secured, there is a need to introduce a labour social welfare cess in GST. He also suggested to introduce biometric system for all workers and a Central web based financial system for MSMEs.

37. President (CODISSIA) requested for the establishment of Technology Centre/extension of Technology Centre at Coimbtore. Under the Defence Offset Policy he suggested that Special Purpose Vehicle (SPV) of consortium of MSMEs should be considered for availing of offset benefits that individual units enjoy. He also requested to have editing facilities on the online UAM registration system.

38. Rajesh Kumar Sharma, Special Invitee, desired that there is still a need for better awareness of the schemes of the Ministry of MSME.
39. Mrs. Mithilesh Agarwal, Special Invitee, suggested to consider the co-operation of the NGOs and large industries for the awareness and promotion of MSME schemes in the industrially backward district.

40. Amit Gupta, Special Invitee, suggested taking all State Governments onboard to promote UAM through their DICs. He also desired to raise the cash transaction ceiling to Rs. 1,00,000 per transaction and also the threshold per transaction be raised to Rs. 3,00,000. On taxation front, he requested that services be provided on normal charge system i.e. the service provider alone should charge the service tax, deposit it and file the returns.

41. President (IIA), requested that Online system of UAM should be linked to all kinds of registration of MSMEs at Central and State Governments to avoid duplications. Under the Defence Offset Policy at least 20% purchase should be made from MSMEs and under the scheme of equity support being implemented through SIDBI, funds should be earmarked exclusively for manufacturing units in the forthcoming Union Budget.

42. President (LUB) opined that the launch of MUDRA Yojana by the Hon'ble Prime Minister is a milestone in the field of establishment of micro units but the interest rate attached to it will have an adverse impact on the promotion of such scheme as there is a need to have lower interest rate for the scheme. He emphasised upon the role of the Govt. to monitor the availability of credit at lower rates of interest, faster disposal of loan applications, collateral free loans, and strict compliance of existing schemes as these are essential to achieve the target of ‘Make in India’.

43. Chairman (MCCCCI) expressed his happiness over the ‘Digital India’ revolution through the ‘Startup India’ Mission, Swarojagar Schemes, CGTMSE, MUDRA, encouraging public outreach through interactive interfaces such as Twitter and Facebook and Udyami Helpline, Skill India, thrust on Village and Khadi Industries with the objective of making MSME a catalyst for socio-economic growth. He also suggested to have branding and marketing of the SME products with the ‘Made in India’ label. He emphasized on a better delivery system of subsidy mechanism, ease of finance, and renewed focus on the skill development and resource provisioning.

44. Mr Raj Kumar Lohia, Special Invitee, indicated towards the issue
of the presence of Chinese products in the Indian market and emphasized on the need to compete with them. He also raised the issue of the need to implement the Freight Equalization Scheme for MSME sector.

45. Mr. Atul Mukhi, Special Invitee, flagged the issue of awareness / implementation of the schemes of the Ministry of MSME along with the use of the portals of different Departments in a better way to publicize the schemes.

The meeting ended with a vote of thanks to the Chair.
