### **3.10 Potential for new MSMEs**

The Baghpat district is predominantly agricultural and nearly 70% of the work force is still engaged in the agricultural & allied activities. From the foregoing chapters it can be said that the Baghpat district has minimum necessary infrastructure that is required for setting up small-scale units in the district. On the whole it can be concluded that the district has good potential for resource based and demand based industries.

Resource based industries have been further categorised into (i) Agro based, (ii) Horticulture based, (iii) Forest based (iv) Live stock based. Demand based industries have been categorised into (i) Mechanical & Engineering based industries (ii) Chemical based industries (iii) Electrical based industries and (iv) Food & Miscellaneous industries.

Based on the available resources, manpower and demand obtaining for various consumer and industrial good, with the change of taste, fashion and technology for such goods, a good number of SSI units can be set up in the Baghpat district for creating employment avenues for the unemployed youth in the district.

## **4. Existing Clusters of Micro & Small Enterprise**

The district has no identified cluster.

## **5. General issues raised by industry association:**

- Availability of uninterrupted Power Supply at lower rate.
- Better road connectivity.
- Enhancement of investment limit in Micro, Small & Medium Enterprises.
- State Industrial Policy: It must be declared.
- Attractive Industrial Policy of neighboring state.
- Various central/ state departments are operating similar nature of activities/ schemes with varying subsidy/ limits, required to be consolidated.
- Better Technology Up gradation Scheme with some mechanism for tracking of application status may be available on line.
- Implementation of online submission of Entrepreneurship Memorandum.
- Better loan scheme for self employment for educated unemployed youths.
- More benefit to micro level enterprises under CGTMSE scheme.
- Interest subsidy to Micro enterprises to attract more entrepreneurs to start new venture.
- MDA scheme should be more attractive.
- Procedure for National Awards should be simplified.
- Various DC (MSME) schemes must be more entrepreneurs friendly.
