### Industry

Pondicherry has nearly 8708 small scale industries apart from **45** large scale and 80 medium scale industries. Taken together, these provide employment to more than 80,000 people. Some of the significant industries in Pondicherry are chemicals, textiles, light engineering, metals, and food processing. Special mention needs to be made of the tourism sector in Pondicherry.

. As a result, Pondicherry's investment opportunities are tremendous – hotels, resorts, amusement parks, and spas, all are lucrative sectors. The Indian government supports investment in Pondicherry by increasing subsidies.

Sectors like eco-tourism, footwear, and marine products are some of the areas where an investment boost is expected in Pondicherry.
