FOREWORD

In pursuance of action plan target for the year 2014-15 it was decided to prepare the District Industrial Profile Report of KOHIMA District with a view to reaching the goals and meeting aspiration envisaged in the plan. A detailed survey of the district was carried out and comprehensive data from various Government agencies like District Industries Centre, Directorate of Industries & Commerce, District Lead Bank (SBI), Nagaland Industries Development Corporation (NIDC), District Statistical Office, District Forest Office, Employment Office, District Agriculture Office, District Fishery Office, NABARD, Employment Office and Financial Institutions etc. were collected. The study has not only analyzed the existing industrial set up but also the prospects of future industrial development in the district.

It is hoped that this report will come in handy not only to existing and prospective entrepreneurs but also to various institutions, which are directly or indirectly connected with the industrial development of the district. Preparation of this report has been possible only by obtaining valuable information from various Government and Non-Government organization during the course of survey. To all these organizations, Br. MSME-Development Institute, Dimapur express its grateful acknowledgement for information made available.

The Methodology adopted for the survey report consists of desk survey, documentation of information and data from the reports/records of the Government Departments. The co-operation extended by various Government and Semi-Government organizations like District Industries Centre, Directorate of Industries & Commerce, District Lead Bank, NIDC, District Forest Office, District Fishery Office, NABARD, District Sericulture Office, Employment office, District Supply Office and Financial Institutions etc. is thankfully acknowledged.

I would like to make a special mention of Sri Govindaraj M., Assistant Director (Mech), Sri B. M. Saxena, Assistant Director (Elect.), and Sri Tali Longchar, Deputy Director (G/C) for his strenuous work in the final preparation of this survey report.

MAP OF NAGALAND

MAP OF KOHIMA, NAGALAND

Brief Industrial profile of Kohima District

1. General Characteristics of the District

Kohima is a hilly district of India's North Eastern State of Nagaland, sharing its borders with Assam State and Dimapur District in the West, Phek District in the East, Manipur State and Peren District in the South and Wokha District in the North. One of the oldest among the eleven districts of the state, Kohima is the first seat of modern administration as the Headquarters of Naga Hills District (then under Assam) with the appointment of G.H. Damant as Political Officer in 1879. When Nagaland became a full-fledged state on 1st December, 1963, Kohima was christened as the capital of the state. Since then, parts of Kohima district have been carved out thrice - the first in 1973 when Phek District was created, then in 1998 Dimapur was carved out and declared as a separate district and it was in 2004 for the third time that Kohima district once again gave birth to one of the youngest districts in the state called Peren District.

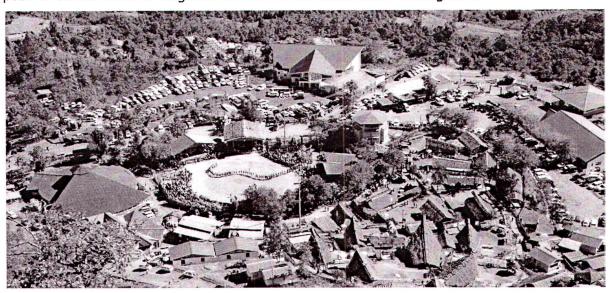

The name Kohima is so called because the Britishers could not pronounce its original name "KEWHIRA" which is the name of the village where Kohima town is located. Kohima village, also called 'Bara Bosti' which is the second largest village in Asia forms the North-Eastern part of Kohima Urban area today.

Demographics:

As of 2011 Census, Kohima district has a population of 270,063. Males constitute 140,118 of the population and females 129,945. Kohima has an average literacy rate of 85.58%, higher than the national average of 74.04 %: male literacy is 89.28 % and female literacy is 81.56 %. In Kohima, 36,157 of the population are under 6 years of age.

The People:

The main indigenous inhabitants of Kohima District are the Angami_Nagas and the Rengma Nagas. But Kohima being the capital city, it is a cosmopolitan city with a pot pouri of all the tribes of Nagaland as well as mainland India residing here.

Climate:

Kohima features a more moderate version of a humid subtropical climate. Kohima has a pleasant and moderate climate - not too cold in winters and pleasant summers. December and January are the coldest months when frost occurs and in the higher altitudes, snowfall occurs occasionally. During peak summer months from July-August, temperature ranges an average of 80-90 Fahrenheit. Heavy rainfall occurs during summer.

The **District Industries Center, Kohima** needs to be strengthened extension work achieve the growth envisaged by exploiting the estimated potential. The present position in regard to the infrastructure available in terms of training centers, road networks, services centers, etc is inadequate and need to be augmented to bring about appositive change in the climate. At present, the district has the following networks of centers/units.

1.	Bee keeping unit-	1
2.	Lemon grass Distillasation unit-	1
3.	Rural artisan project training unit-	1
4.	Steel trunk	4
5.	Mini Rice mills	12
6.	Handloom demonstration unit	4

To encourage prospective entrepreneurs to take up industrials activities, there are provisions to provide margin money/ seed money/ subsidy by the implementing agencies. However there are several constraints that may be highlighted are:-

- a) Lack of basic infrastructure facilities, in-adequate marketing support/ accessibility and raw material supply.
- b) In-adequate power supply
- c) Shortage of skilled /trained manpower
- d) Lack of industrial experience, non-availability of managerial, administrative and technical experience among the local entrepreneurs.
- e) High cost raw materials and transportation
- f) Lack of co-ordination among various development agencies
- q) Credit flow is very low due to poor return of bank loans.

INTEGRATED INFRASTRUCTURAL DEVELOPMENT (IID), Kiruphima at Kohima:-

In pursuance of the Industrial Policy measures for promoting and strengthening small and tiny village enterprises, the Integrated Infrastructural Development (IID) Scheme was launched in 1994. INTEGRATED INFRASTRUCTURAL DEVELOPMENT (IID), Kiruphima, Kohima, Nagaland has been set up by Directorate of Industries & Commerce, Govt. Of Nagaland, Kohima during the year 2012-13.
