## 5. General issues raised by industry association during the course of meeting

Many a times meetings have been held with Industries Associations to discuss their problems and issues. The same old problems like uninterrupted power supply, availability of raw materials, timely availability of cash credit, etc. have been raised. Assurance on the above issues were given by the head of the concerned organizations and institutions, unfortunately, no improvement has appeared in sight as yet. Although, there is hardly any improvement but the concerned units are pulling on somehow or the other. An improvement in this respect is highly solicited.
